SUBJ: Third reading of ordinance for establishing new speed limits on county roads.

DATE: October 5, 2017

This is a third reading of an ordinance to adjust the speed limit on 240th Avenue (Z30) from the McCausland City Limits South 1000' and on 140th Ave South of St Ann's Rd. (290th St) south 2700' from 55mph to 45 mph.

We completed a speed study on 240th Ave which showed us that 80% of the vehicles were traveling over the posted speed of 55, some as high as 80mph. We have notified the Sheriff's Patrol to monitor this area and they did place a radar sign at this location. There is a curve, a blind drive and guardrail in this area. We feel that moving the 45 mph speed limit south about 1000' feet will help to reduce the speed and allow the Sheriff to properly enforce the safer speed zone.

We also did a study on 140th Ave South of St. Ann's. This is a residential area which is current 55mph by statute. The study shows that 10 to 15 % of the vehicles are traveling over the speed limit and some more than 75mph. Because of the residential area and more than usual turning traffic and traffic in general in this area, we feel that the reduced speed is warranted.
