BUDGETED / PROJECTED	PERFORMANCE MEASUREMENT OUTCOME:	Community Health Care (CHC) provides comprehensive health care for Scott County citizens regardless of ability to pay. \$302,067/\$449,736		
DEPARTMENT QUARTERLY	PERFORMANCE MEASUREMENT ANALYSIS:	CHC served 1,485 people who were over the 138% Federal Poverty Level and would have qualified for the sliding fee scale benefit. The total amount of sliding fee discounts provided this fiscal year was \$469,324, resulting in a cost reduction per patient in the amount of \$316.04. This reduction in cost, or use of sliding fee scale benefits, allows patients/Scott County citizens to seek health care when needed and not waiting until they are critically ill and requiring emergency care (much more expensive care). This is a significant cost saving measure for citizens, but it also leads to the right service at the right time, in the right place.

These three stations cover all rural area in Scott County with three ambulances, with backup from floating post urban units.
91%		

DEPARTMENT NAME/ ACTIVITY SERVICE:		SECC Infrastructure/Physical Resources

The next step is working on the tower information about what is necessary and not necessary as well as hand-held radio costs to individual agencies or included in project costs. We are hoping the RFP will be out by October and vendors will be given 90 days to respond, so it will be early 2018 before we have options of vendors.

The Department of Human Services is a comprehensive human service agency coordinating, paying for and/or providing a broad range of services to some of Iowa's most vulnerable citizens. Services and programs are grouped into four Core Functions: Economic Support, Health Care and Support Services, Child and Adult Protection and Resource Management. The focus of these services is to assist this population with achieving health, safety and self-sufficiency. All of these programs are federally mandated and are supported by federal and state funds. The county's contribution to this process is mandated in state legislation which stipulates the county is responsible for providing the day to day office operational funding. A percentage of this county funding is reimbursed quarterly through the Local Administrative Expense (LAE) Reporting (federal) which includes the direct and indirect costs incurred by the county for the support of DHS services. A large portion of the day to day operational expenditures are determined by federal and state rules as it relates to program administration.
