SUBJ: Acceptance & Approval of Four streets in Park View

DATE: December 7, 2017

The final plat of Dexter's 7th in Park View was approved by the Board of Supervisors on June 1, 2017 and work on all streets and storm sewers are complete and have been approved. The developer has requested that the County be taken into the County system and they have supplied the required Bond. The new streets are contiguous with existing streets in Park View from previous additions. Based on this, I recommend acceptance of these streets into the County secondary road system.
