Subject: Settlement of Bailiff Collective Bargaining Agreement

We were able to negotiate a one year agreement with the IBEW (i.e. Bailiffs). The economic package includes a 2.25% general wage for FY19. As a result of the changes in the collective bargaining law we removed prohibited items from their contract such as, references to insurance, performance evaluations, and layoffs. Many of these items will be covered by existing administrative policies.

If you have additional questions about the agreement or would like a copy of the final agreement, please let me know.
