SUBJ: First Reading placing stop signs in Park View

DATE: June 28, 2018

We have been discussing the traffic problem around Neil Armstrong Elementary School in Parkview with Principal Tim Green and Superintendent Joe Stutting. They are developing a traffic control plan for dropping off and picking up their students. The school has reached out to their neighbors and the community to solicit input with the traffic control plan. As part of their plan, we will be placing No Parking signs in some areas to enhance the traffic plan. We are also adding a permanent stop sign at the entrance of the school. There is a temporary one there now but it is not in the ordinance. All of this is being done to keep the students safe and attempt to alleviate the traffic congestion during start up and dismissal. We will continue to work with the school to evaluate the changes and make other changes as necessary. This will be the first reading of the ordinance to place stop signs at the entrance to the school.
