Scope of Work/Statement of Work

Funding in this Agreement is to strengthen responses to violence against women victims (domestic abuse, dating violence, teen and adult sexual assault and stalking victims) accessing the criminal justice system.

Develop and strengthen effective:

- Law enforcement strategies in the response, documentation and investigation of cases involving violence against women victims (dating violence, domestic violence/abuse, teen and adult sexual assault, and stalking),
- Improve training and technical assistance to law enforcement and their allied partners to improve the response, documentation and investigation of cases involving crimes against women.
- The purpose of the Liaison Deputy Program is to investigate and help prosecute domestic violence and crimes against women. During the investigative process, the liaison deputy is working with not only the victim, but advocates and counselors to ensure the victim is receiving the services they need. The deputy also stays in close contact with the judges who hear domestic abuse cases and maintains channels of communication with all aspects of the judicial system, to better serve the victims. Because the victim's case is a priority to the liaison deputy and because the liaison deputy works to investigate and help prosecute the crimes, crimes of violence against women are a priority.
- The Scott County Sheriff's Office uses the VAWA Performance Indicators/Statistics spreadsheet to track calls for service, arrests and referrals to other agencies. This information is gathered by the liaison deputy from the reports taken from the responding deputy for calls of service and their reports. The liaison deputy and Family Resources staff have been working closely to ensure that referrals are made to meet victims' needs. It is a goal of the liaison deputy to increase the number of follow up calls with reviewed sexual assault, child abuse and domestic violence cases by 25 per quarter, with a total of 100 follow up calls per year. As of March 31, 2018 or through three quarters of the year, the liaison deputy has already made 107 follow up calls.

Grant condition in OVW awards, as required by section 40002(b)(13) of the Violence Against Women Act of 1994 (codified at 34 U.S.C. 12291(b)(13)) By law, any award administered by OVW is made subject to a grant condition that prohibits discrimination on the basis of actual or perceived race, color, national origin, sex, religion, disability, sexual orientation, and gender identity in programs or activities, both in employment and in the delivery of services or benefits in any program or activity funded, in whole or in part, with funds appropriated to OVW, or appropriated pursuant to certain statutes that focus on violence against women.

The required grant condition includes a limited exception for sex-specific programming, as well as a rule of construction to the effect that nothing in the condition diminishes other legal responsibilities and liabilities related to civil rights.

For purposes of this condition, "gender identity" means actual or perceived gender-related characteristics.

2. It will comply with the financial and administrative requirements set forth in the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the DOJ Financial Guide. The DOJ Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This guide also outlines the successful administration of grant funds. The DOJ Grants Financial Guide can be found at: https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf.

STOP funds cannot be used for activities that may compromise victim safety and recovery or undermine offender accountability and must be removed from program activities.

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions; and therefore, states may not use STOP funds to support these activities:

- Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;
- Procedures or policies that compromise the confidentiality of information and/or privacy of persons receiving OVW-funded services;
- Procedures or policies that require victims to take certain actions (e.g., seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.) in order to receive services;
- Procedures or policies that fail to include conducting safety planning with victims;
- Project design and budget that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or who are Deaf or hard of hearing;
- The use of pre-trial diversion programs without prior OVW review and approval of the program or the automatic placement of offenders in such programs;
- Couples counseling, family counseling, or any other manner or joint victim-offender counseling as a routine or required response to sexual assault, domestic violence, dating violence, or stalking, or in situations in which child sexual abuse is alleged;
- Offering or ordering anger management programs for offenders as a substitute for batterer's intervention programs;

- Procedures or policies that deny victims and non-abusing parents or caretakers and their children access to services based on their involvement with the perpetrator;
- Requiring survivors to meet restrictive conditions in order to receive services (e.g. background checks of victims; clinical evaluations to determine eligibility for services; etc.) or other screening processes that elicit

information that is not necessary for services, such as questions about immigration status, gender identity, sexual orientation, disability, physical or mental health, and work or criminal history that the service provider does not need to know about to provide services safely;

- Relying on batterer intervention programs that do not use court monitoring to hold batterers accountable for their behavior;
- Policies and procedures that fail to account for the physical safety of victims;
- Enforcing or promoting nuisance abatement ordinances, crime-free housing ordinances, or crime-free lease addenda (often associated with crime-free housing programs) that require or encourage the eviction of tenants or residents who may be victims of domestic violence, sexual assault, dating violence or stalking. See also the U.S. Department of Housing and Urban Development for guidance on how such ordinances and addenda may violate the Fair Housing Act; and
- Policies or procedures that require testing of sexual assault forensic evidence in cases where the victim obtained a medical forensic exam but has not chosen to participate in the criminal justice system.

4. Matching funds are required to pay the non-federal portion of the cost of each program and project, for which these funds are made available, shall be in addition to funds that would otherwise be made available for VW project activities by the program or recipient of these funds and shall be provided on a project-by-project basis. Non-profit, non-governmental victim service agencies are exempt for making match.

5. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

6. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

7. OVW Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

Subgrantee agrees all materials and publications (written, visual or sound) resulting from award activities shall contain the following statements: "This project was supported by Subgrant No. _____ awarded by the state administering office for the STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the view of the Department of Justice, Office on Violence Against Women."

Subgrantee agrees one copy of all reports and any other written materials or products that are funded under the project to Federal Office on Violence Against Women by submitting it to the Iowa Attorney General's Crime Victim Assistance Division not less than 30 days prior to public release. If the written material is found to be outside the scope of the program or in some way to compromise victim safety, it will need to be revised to address these concerns or the funded program will not be allowed to use STOP funds to support the further development or distribution of the materials.

8. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

9. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

10. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

11. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

12. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016. Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi->

[bin/ECFR?page=browse](#)), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

13. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

14. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. The subrecipient may, however, use federal funds to collaborate with and provide information to federal, state, local tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence sexual assault, and stalking (as those terms are defined in 42 U.S.C. 13925(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OVW.

15. Compliance with general appropriations-law restrictions on the use of federal funds

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions for each fiscal year are set out at <https://www.justice.gov/ovw/grantees>, and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a subrecipient would or might fall within the scope of an appropriations-law restriction, CVAD will contact OVW for guidance and the subrecipient may not proceed without the express prior approval of OVW.

16. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 950 Pennsylvania Avenue, N.W. Room 4706, Washington, DC 20530; (2) e-mail to: oig.hotline@usdoj.gov; and/or (3) the DOJ OIG hotline: (contact information in English and Spanish) at (800)

869-4499 (phone) or (202) 616-9881 (fax). Additional information is available from the DOJ OIG website at <https://oig.justice.gov/>.

17. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--
 - a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
 - a. it represents that--
 - (1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
 - b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

18. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

19. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

Subgrantee will comply with the financial and administrative requirements set forth here: **Managing your OVW grant link:** <https://www.justice.gov/ovw/grantees>. **These do not supersede any specific conditions in the award document and with the DOJ Grants Financial Guide** found here: https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf.

20. No program or recipient of VW funds shall use or reveal any **research or statistical information** furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with the VAWA. Such information shall be immune from legal process and shall not, without the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or other judicial, legislative, or administrative proceeding.

21. Any court, law enforcement, and prosecution agency receiving STOP funds certify that in the course of developing their application and appropriation, they have consulted with local Domestic Violence and/or Sexual Abuse programs to ensure that the proposed activities and equipment acquisitions are designed to promote safety, confidentiality, and economic independence of victims of domestic violence, sexual assault and dating violence.

22. Subgrantees will not purchase law enforcement uniforms, safety vests, shields, weapons, bullets, and armory or to support chemical dependency or alcohol abuse programs that are not an integral part of a court-mandated batterer intervention program.

23. Subgrantees will not use STOP funds to support the development of presentation of domestic violence, sexual assault, dating violence and/or stalking curriculum for primary or secondary schools. It further agrees that these funds will not be used to teach primary or secondary school students from an already existing curriculum.

24. Subgrantee will not use STOP funds to conduct public awareness or community education campaigns or related activities. These funds may be used to support, inform, and outreach to victims about available services.

25. STOP funds cannot be used for the following activities:

- Lobbying;

- Fundraising;
- Research projects (This does not include program assessments conducted only for internal improvement purposes. See “Research and Protection of Human Subjects” in OVW’s Solicitation Guide.)
- Purchase of real property;
- Construction;
- Physical modifications to buildings, including minor renovations (such as painting or carpeting). OJP is responsible for compliance with NEPA and 28 C.F.R. Part 61, including Appendix D. For many projects that are funded by OJP, NEPA may require no action on the part of the OJP award recipient. However, if OJP funds will be used, for example, to pay for renovation projects or new construction, programs involving the use of chemicals, or any other activity (including research and technology development) that may have an effect on the environment, at a minimum, the recipient must provide a full description of proposed project activities to OJP. In such cases, OJP will determine whether an Environmental Assessment must be prepared for the project. Prior to allowing a recipient to use OJP funds for such a project, OJP must make a finding that the project does not significantly affect the human environment and that further environmental assessment is not necessary.

26. The recipient agrees to comply with all relevant statutory and regulatory requirements which may include, among other relevant authorities, the Violence Against Women Act of 1994, P.L. 103-322, the Violence Against Women Act of 2000, P.L. 106-386, the Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C 3711 et seq., the Violence Against Women and Department of Justice Reauthorization Act of 2005, P.L. 109-162, the Violence Against Women Reauthorization Act of 2013, P.L. 113-4, and OVW's implementing regulations at 28 CFR Part 90.

27. The Violence Against Women Reauthorization Act of 2013 added a civil rights provision that applies to all OVW grants issued in FY 2014 or after. This provision prohibits recipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. The recipient acknowledges that it will comply with this provision. The recipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

28. Requirement to report duplicative funding

If the subrecipient current has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify CVAD in writing of the potential duplication, and , if so requested by CVAD must seek a budget-modification or change of scope modification to eliminate any inappropriate duplication of funding.

29. The subrecipient authorizes CVAD, Office for Violence Against Women (OVW) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, paper or documents related to the VAWA grant.

30. The subrecipient will abide by all reporting requirements for the STOP VAWA grant.

31. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

32. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

33. Grant funds may be used only for the purposes in the recipient's approved application. In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

I certify that I have read and understand the above assurances and will comply with all of the STOP VAWA provisions and corresponding funding provisions.
