Subject: Settlement of PPME Collective Bargaining Agreement

We were able to negotiate a three year agreement with the PPME (i.e. Secondary Roads). The economic package includes a 2.25% general wage for FY20, 2.5% general wage increase for FY21 and 2.25% general wage increase for FY22. The salary scale recommended by PSPC was accepted as a permissive topic and will be added to the contract. As a result of the changes in the collective bargaining law we removed prohibited items from their contract such as, references to insurance, performance evaluations, and layoffs. Many of these items will be covered by existing administrative policies. The majority of permissive topics were left in the contract with some slight wording changes.

If you have additional questions about the agreement or would like a copy of the final agreement, please let me know.
