SUBJ: First reading of ordinance for establishing new speed limits on county roads.

DATE: February 7, 2019

This is a First reading of an ordinance to adjust the speed limit on Y40 (60th Ave) from 220th Street North to Walcott city limits. The Walcott city limit runs north and south along the centerline of Y40 at this location. The city changed the speed limit from Sterling Dr. north to the city limits to 45 mph. The change to our ordinance will match the changes to the city ordinance. It is 30mph south of 220th St but was 55mph north of 220th St. and still is in the south bound lane. Our changes will make the speed limit 30 mph from Sterling Drive south and 45 mph from Sterling Dr. north to the city limits. We are placing 55 mph speed limit sign at Walcott city limits. This is being done at the request of the City of Walcott and for enforcement purposes the speed limits need to match.
