Subject: Settlement of DSA Contract

The parties were able to agree to a one year contract with a 2.25% general wage increase. The salary scale recommended by PSPC was accepted as a permissive topic and will be added to the contract. As a result of the changes in the collective bargaining law the dues collection language is removed as a prohibited item from their contract.

If you have additional questions about the terms of the agreement or would like a copy of the final agreement, please let me know.
