Re: Approval of ice melt bids

Scott County participates in the annual joint purchase of ice melt through the Bi-State Joint Purchasing Council. The Council recently solicited bids based on the requested types and quantities of ice melt products as requested by the various member agencies. Those bids have been evaluated by Bi-State, Scott County purchasing and FSS.

This year FSS requested pricing for seventy 1100 pound totes. Bi State has advised that the low bid for this product is River City Turf at a cost of \$218.00 per tote. The total cost for this salt purchase is \$15,260.00.

I recommend that the Board approve and award the bid to River City Turf in the amount of \$15,260.00

Chris Still will be at the next Committee of the Whole meeting to answer any questions you or the Board may have.
