SUBJ: Bituminous Seal Coat Projects

DATE: September 10, 2019

The Scott County Secondary Roads Department requested quotes for the construction of two bituminous seal coat projects that are tied together.

The first project is on 180th Avenue (Cody Road) from 210th Street north to 240th Street. The City of Eldridge has jurisdiction over the west half of 180th Avenue from 240th Street south 2.5 miles. The City of Eldridge has agreed to participate in the project and will reimburse our department for the portions of work completed within their corporate limits.

The second project is on Spencer Road from approximately 100 feet south of the railroad tracks (south of Hwy 67) south 1,100 feet.

Both roads have existing bituminous seal coat surfaces that have deteriorated beyond maintenance patching. Please see attached project location maps.

The following quote was received:

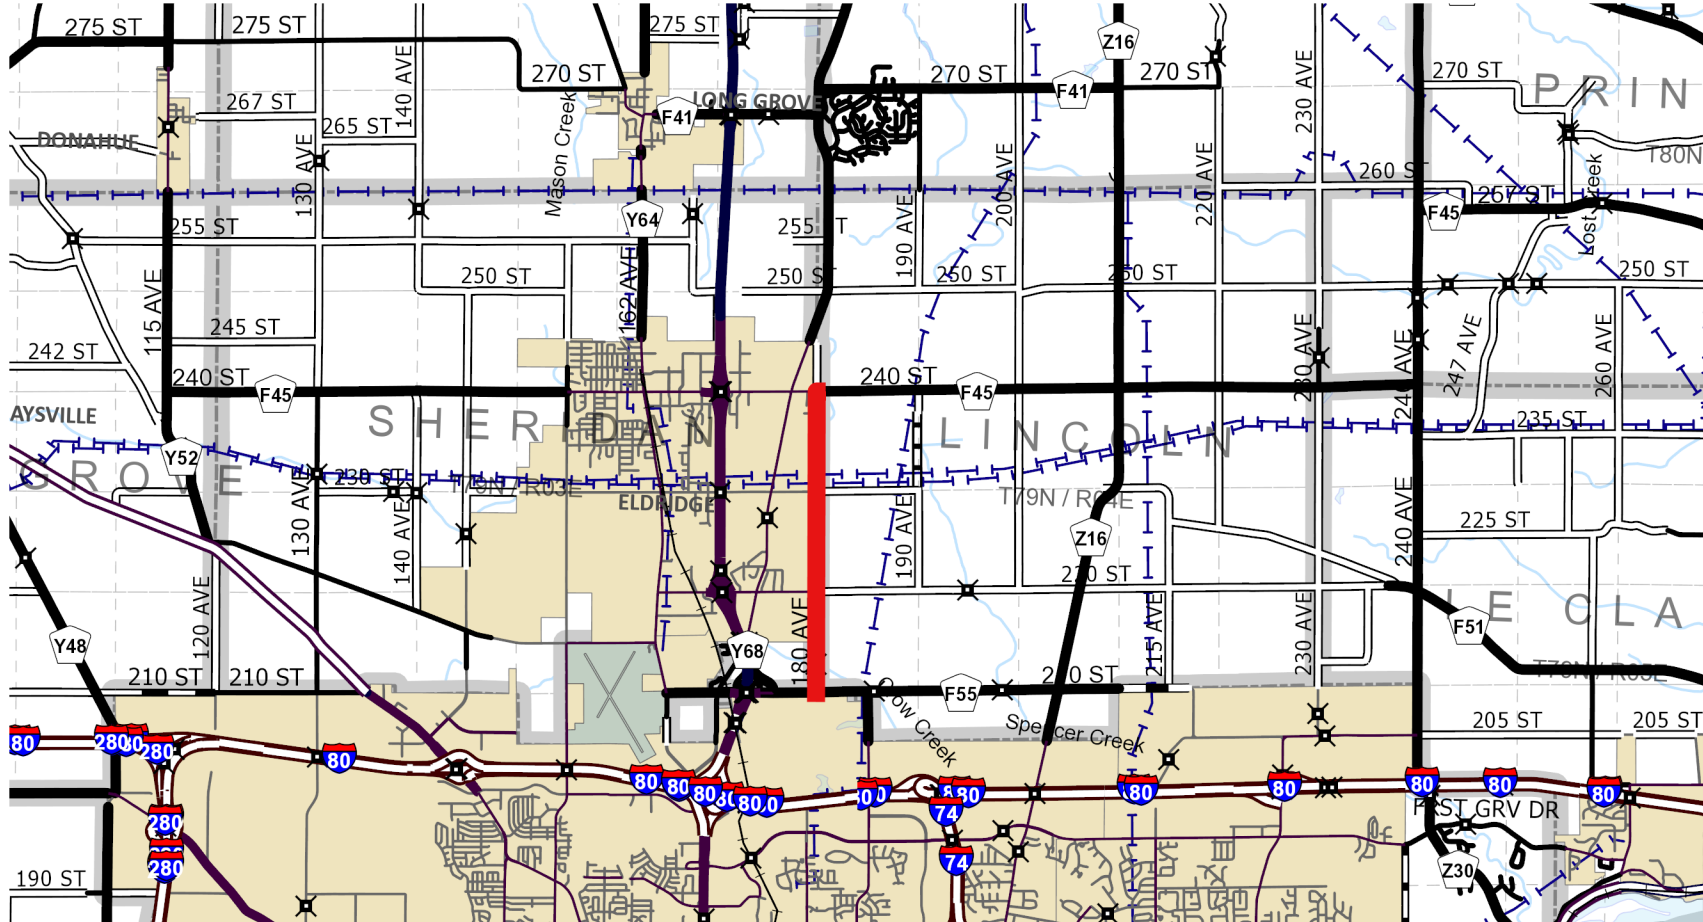

Tri City Blacktop, Bettendorf, IA: \$243,605.00

I recommend entering into a contract with Tri City Blacktop contingent on the lump sum price submitted in their quote. We have approximately \$298,000 remaining in our FY2020 budget for bituminous road maintenance.
