SUBJ: Hot Mix Asphalt (HMA) Maintenance Patching Project

DATE: October 15, 2019

The Scott County Secondary Roads Department requested a quote from McCarthy Improvement Company for the construction of three HMA maintenance patches. The project consists of scarifying existing severely deteriorated asphalt and placing HMA at the following locations:

1. On Shawnee Circle and Blackhawk Drive at and near their intersection
2. On Hillendale Road south of Slopertown Road
3. On Chapel Hill Road west of Utah Avenue

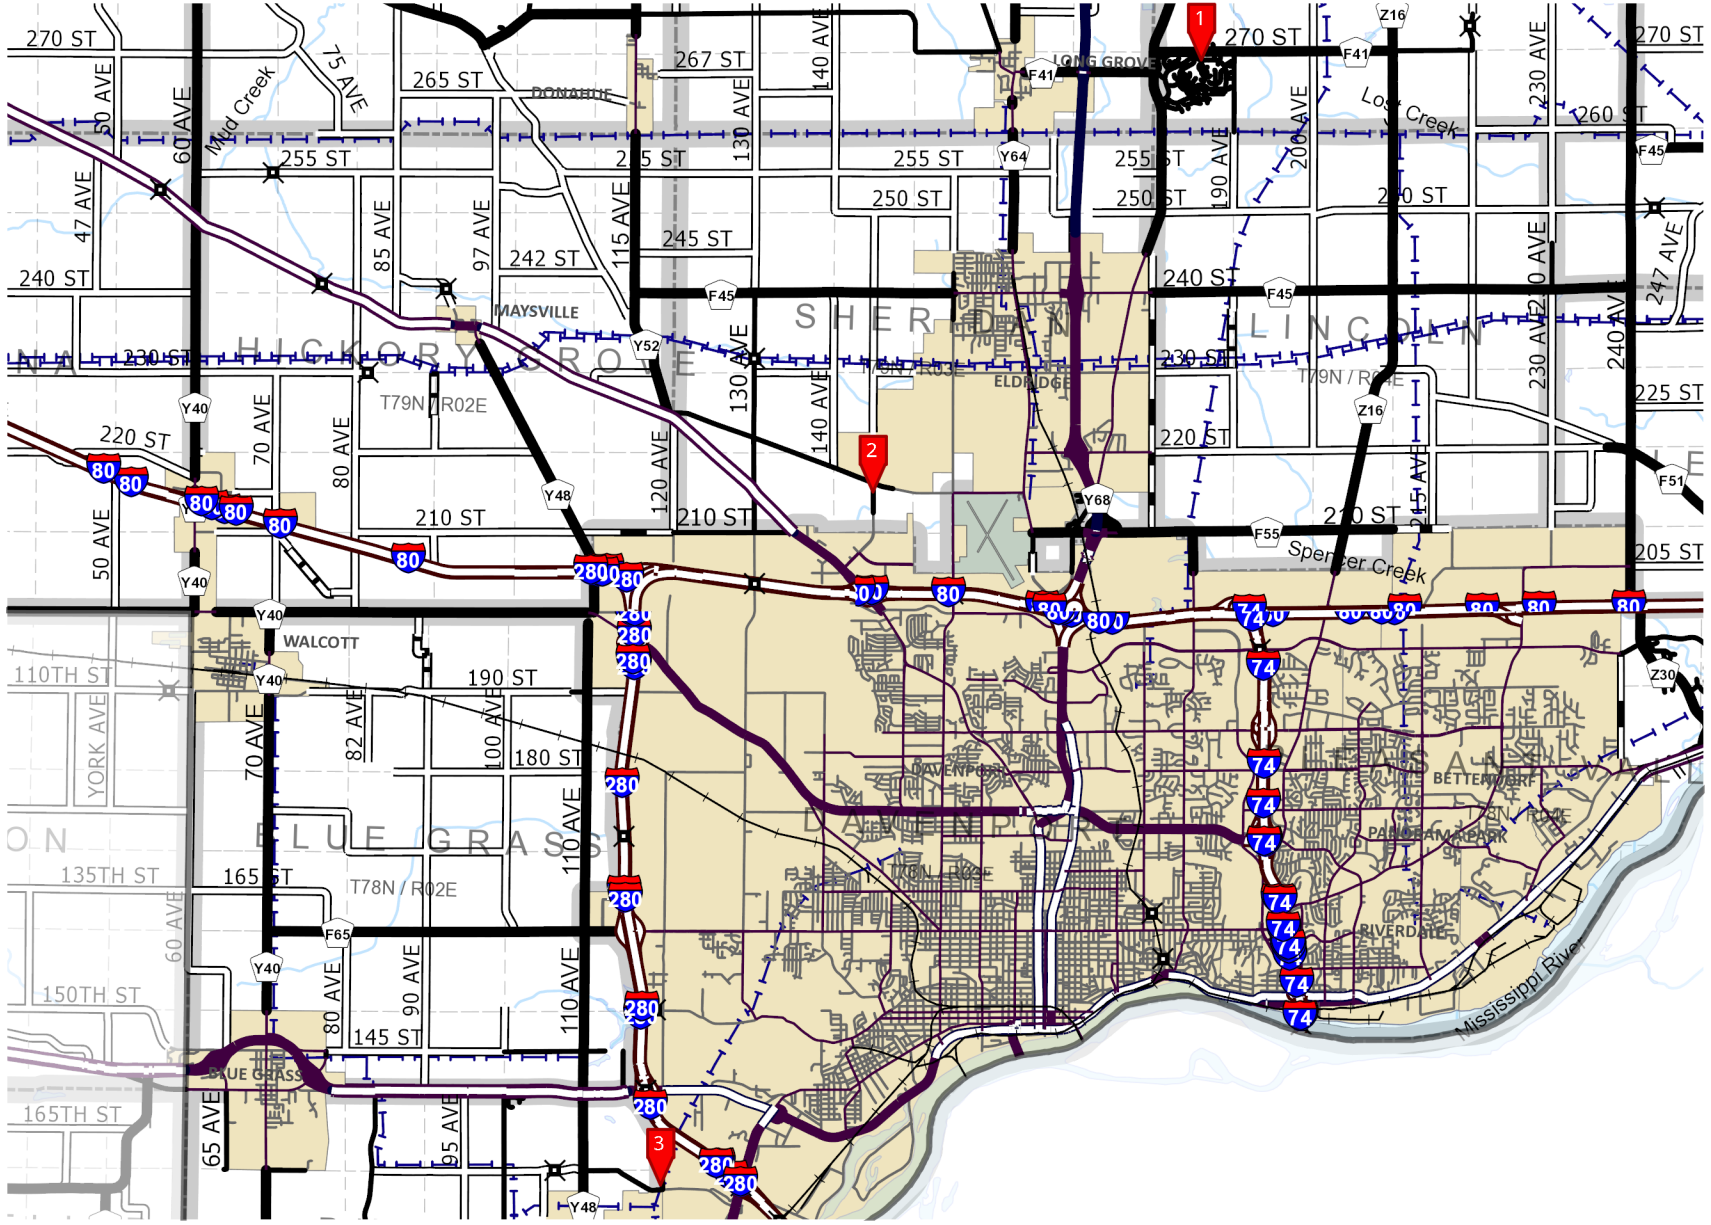

McCarthy Improvement Company, Davenport, IA, submitted a quote of \$106,748.22 to perform the work. We are presently under contract with McCarthy Improvement Company to complete two HMA resurfacing projects. Also, in May of 2019, we requested quotes for a similar type of maintenance patching project and McCarthy Improvement Company was the low quote. The quote that they submitted for this project is reasonably close in unit prices. It has also been determined reasonable based on the smaller tonnage of HMA and that each location will take one working day each to complete.

I recommend entering into a contract with McCarthy Improvement Company contingent on the unit prices submitted in their quote. We will amend our HMA maintenance budget in March 2021 for the contracted expenses. After completion of our two HMA resurfacing projects, we will have approximately \$390,000 remaining in our FY2020 budget for HMA construction that can be moved to HMA maintenance.

AWARD OF CONTRACT FOR SCOTT COUNTY SECONDARY ROADS

HMA MAINTENANCE PATCHING PROJECT

BE IT RESOLVED by the Scott County Board of Supervisors as follows:

- Section 1. That the contract for HMA Maintenance Patching Project be awarded to McCarthy Improvement Company contingent on the submitted unit prices.
- Section 2. That the County Engineer be authorized to sign the contract documents on behalf of the Board.
- Section 3. That this resolution shall take effect immediately.
