SUBJ: Roadside Sprayer Purchase

DATE: February 11, 2020

On May 16, 2019, the Board of Supervisors approved the submission of a grant application to the Iowa Living Roadway Trust Fund for the purchase of a truck bed style injection type roadside sprayer. The equipment will allow for greater accuracy, more efficient spraying and GPS speed and guidance control. The Scott County Secondary Roads Department was awarded the grant for 80% of a roadside sprayer cost with a maximum eligible reimbursement of \$15,000.

Bids were solicited using the Public Purchase portal on our Scott County website. The following bids were received:

Spray-Land USA, Marion, IA:	\$19,575.00
MTI Distributing, Inc., Grimes, IA:	\$21,932.76

I recommend purchasing the roadside sprayer from Spray-Land USA for a cost of \$19,575. We will be reimbursed from the Iowa Living Roadway Trust Fund grant for \$15,000. The remaining \$4,575 is in our FY2020 Road Clearing budget.
