To: Mahesh Sharma, County Administrator

From: Matt Hirst, Information Technology Director

Subject: Approval of Time and Attendance Application Upgrade

Scott County has requested and received a quote for an upgrade to the current County time and attendance application, Novatime. This upgrade would leverage the investments the County made in Novatime software and hardware in 2001, 2008, and 2012.

This time and attendance upgrade project would include:

- An upgrade to the latest version of Novatime software
- Professional services for installation of Novatime 5000 SaaS and Advanced Scheduling
- Professional services for system configuration
- Training for Administrative/Supervisory staff
- Advanced scheduling
- Transition to cloud hosted software from current on-premise perpetually licensed solution

One-time costs for the project are \$15,000. Yearly costs are not to exceed \$39,600 dependent on needed advanced scheduling capable users.

The quote summary for this application upgrade is attached.

It is recommeded that the Board authorize the IT Director to sign a 5 year agreement with Novatime with one-time costs of \$15,000 in an amount not to exceed \$39,600 annually.

Scott County Information Technology currently budgets approximately \$6,000 annually for software maintenance for Novatime time and attendance software.

### SCOTT COUNTY BOARD OF SUPERVISORS

# April 30, 2020

### APPROVING TIME AND ATTENDANCE APPLICATION UPGRADE

BE IT RESOLVED BY the Scott County Board of Supervisors as follows:

Section 1. The authority of the IT Director to sign an agreement for five (5) years of Novatime time and attendance cloud hosted software in an amount not to exceed \$39,600 annually and one-time implementation costs of \$15,000 is hereby approved.

Section 2. This resolution shall take effect immediately.
