SUBJ: Approval of Purchase of One Single Axle Cab/Chassis and One Dump Body with Snow Equipment for Secondary Roads with FY2021 Funds

The Fleet Services Division has solicited bids for one single axle cab/chassis and one dump body with snow equipment for installation on the single axle cab and chassis for Secondary Roads.

This purchase is for the replacement of a 2008 International 7400 with 115,228.0 miles and 5,724 hours on the engine.

Below summarizes the bids that were received for the one cab/chassis:

Dealership	Location	Vehicle Bid	Price per vehicle	Trade In	Total Purchase
Thompson Trucks	Davenport, IA	2020 International HV507 SFA	\$ 94,835.00	\$ 29,500.00	\$ 65,335.00
Truck Country	Davenport, IA	2021 Freightliner 108SD	\$ 93,494.00	\$ 22,000.00	\$ 71,494.00
Twin Bridges Truck City	Davenport, IA	2021 Mack Granite 42FR MHD	\$ 107,400.00	\$ 12,000.00	\$ 95,400.00

The low bid for one single axle cab and chassis was Thompson Trucks, Davenport, IA, at \$ 65,335.00.

Below summarizes the bids that were received for one dump body with snow equipment:

Dealership	Location	Equipment Bid	Total Purchase
Tri-state Truck Equipment	Dubuque, IA	Dump Body and Snow Equipment	\$ 76,740.00
Henderson Truck Equipment	Manchester, IA	Dump Body and Snow Equipment	\$ 86,408.00

Fleet Services recommend Henderson Truck Equipment in the amount of \$86,408.00. Henderson's had no exception to the specifications. Tri-State had several exception to some major components that were inferior to the specifications

The two purchases total \$151,743.00. The budgeted amount for these two purchases was \$180,000 in FY21. It has come in \$28,257.00 under budget.

I will be in attendance at the next Committee of the Whole meeting to discuss this purchase and to answer any questions you or the Board may have.
