Subject: [External Email] RE: compromise taxes

Hi Rob,

Thanks for taking the time to meet with us yesterday and to send us your research. Can you confirm you've sent the correct research? The cases you've pulled all deal with the board of supervisor's authority to compromise taxes rather than the treasurer's authority to order abatement of taxes. This could be a situation where reasonable minds differ on the interpretation, but if you have anything more, I'd be happy to review.

In the meantime, our letter requested the opportunity to go before the Board of Supervisors to ask for them to use their 445.60 authority to refund the taxes. My understanding is that when my client presented to the board last August, the Board of Supervisors did not believe they had the authority to abate or refund due to General Policy No. 15. That policy only references their authority under section 427.3. There is nothing preventing them from using their authority under 445.60 and ordering a refund of all the taxes paid by or on behalf of the church. The County relies on your guidance, and the respect they have for your opinion is well deserved. We would like you to assist us in getting a hearing and would appreciate your support in notifying the Board that they do have the legal authority to refund the taxes in this situation.

Thank you for your consideration,

Aaron

SUBJECT: Public Hearing for Proposed Road Right-of-Way Vacation

DATE: June 30, 2020

On June 25, 2020, a resolution was passed to hold a public hearing on July 9, 2020, regarding a proposed road right-of-way vacation. The road right-of-way is a portion of an alley platted on the North Side of Block 1 of Roswell H. Spencer's Town Lots located in the Southeast Quarter of Section 7, Township 78 North, Range 5 East. Please see the attached map.

Our department was contacted by a Scott County resident, Monty Shumate, to vacate this piece of road right-of-way. Monty owns the land adjacent to the road right-of-way on both the north and south sides. He has been maintaining the area for ingress and egress to his property. He would like to extend water service and build an addition to his home within the road right-of-way.

Our department has not and does not maintain this road right-of-way. The traveled portion that exists in being solely used as a driveway for the property owner. The width of the road right-of-way is 20 feet, which is too narrow to construct a public road. The road right-of-way does not extend through to the west past this piece. It is of greater benefit for us to vacate this piece of road right-of-way, put the land back on the tax rolls, and clear our records of unused right-of-way. I recommend vacating this piece of road right-of-way.

SUBJ: Approval of the purchase of one electric forklift for Facilities and Support Services (FSS)

At the request of the FSS department, a Request for Quotation (RFQ) posted for the replacement of an (1983) Caterpillar 4000 lbs. propane forklift. The Caterpillar forklift will be sold on Public Surplus once COVID-19 restrictions are lifted. The trade-in is a 2003 Clark forklift that remained in service as a back up to the Octane forklift. It took Octane nine months to get the unit into service after delivery.

Below summarizes the qualified bids received:

ITEM	Make	Model	Year	Price	Trade-In	Total	ETA
Big River Equipment Co Inc, Bettendorf, IA	Doosan	B20T-7	2020	\$28,807.00	\$2,400.00	\$26,407.00	12-14 weeks
Hupp Toyota Lift, Davenport, IA	Toyota	8FBCU20	2020	\$28,234.00	\$1,500.00	\$26,734.00	12-14 weeks
MH Equipment, Davenport, IA	Yale	ERP040VT	New	\$28,960.00	\$500.00	\$28,460.00	18-20 weeks
Big River Equipment Co Inc, Bettendorf, IA	Clark	TMX20	2020	\$32,571.00	\$2,400.00	\$30,171.00	12-14 weeks
Altorfer Inc, Davenport, IA	Mitsubishi	FB20PNT2	New	\$34,236.00	\$750.00	\$33,486.00	19 weeks
Aviate Enterprises Inc, McClellan, CA	Crown	SC5245-40	2020	\$34,779.73	\$1,000.00	\$33,779.73	8/22/2020

Although the Doosan from Big River is lower in price, there is documentation of major component problems. I believe the difference in price will equal out in repair costs and downtime. I recommend awarding the bid to Hupp Toyota Lift, Davenport, IA, for \$26,734.00 including delivery.

I will be in attendance at the next Committee of the Whole meeting to discuss this purchase and to answer any questions you or the Board may have.

RE: Increase in FTE of Health Department Grant Funded Position and Modification of Child Health Consultant Job Description

The Scott County Board of Health was awarded the Community Based Programs of Maternal, Child, and Adolescent Health (MCAH) grant from the Iowa Department of Public Health (IDPH) for the project period of October 1, 2016 to September 30, 2022. It is a new expectation of the Iowa Department of Public Health that beginning October 1, 2020, Tier 2 Maternal Health programs include a minimum of 1.0 FTE Registered Nurse and a minimum of 0.25 FTE social worker in the budget.

To meet the Registered Nurse contract requirement, we are requesting to increase the Maternal, Child, and Adolescent Health Nurse position in the department's table of organization from 0.8 FTE to 1.0 FTE. This position would remain benefit eligible. The annual loaded cost for the position is \$89,481.60. The cost of the position will be primarily covered by Medicaid revenue, and supplemented with the Maternal, Child, and Adolescent Health grant funds. We understand that maintaining this position is dependent on continued funding from both external sources.

To meet the social worker contract requirement, we are requesting to modify the job description for the Child Health Consultant to include the duties to provide Maternal Health psychosocial services, including anticipatory guidance, follow-up and referrals as appropriate, as well as attend related required meetings and trainings. The education and experience to provide these services remain the same as the current job description and there would not be a change in the pay scale.

The increase in FTE of the Maternal, Child, and Adolescent Health Nurse and the allocation of 0.25 hours of the Child Health Consultant will allow us to increase our Maternal Health direct services, which should result in an increase in Medicaid revenue as many of the services will be eligible to be billed to Iowa Medicaid. The services we can provide will fill gaps identified by existing service providers and include breastfeeding classes, care coordination, psychosocial or listening visits (a gap filling mental health services until a client can see a mental health provider), health education, presumptive eligibility, alcohol, substance abuse, and/or drug screening, as well as dental screening, fluoride varnish, oral hygiene instruction, and risk assessment.

Thank you for your consideration of our request. If you have any questions, please do not hesitate to contact me at extension 3277 or Amy Thoreson at extension 8833.
