SUBJ: Award of Contract for Bridge Replacement Projects

DATE: October 5, 2020

This resolution is to approve a contract for the construction of four bridge replacement projects. These projects are part of the Federal Highway Administration Competitive Highway Bridge Program (CHBP) grant that we received and entered into a 28E agreement with Cedar County and the City of Bettendorf to tie our projects together.

Scott County Project No. BRS-CHBP-C082(60)--GB-82 (9 Cleona) is a 100' x 30.5' Continuous Concrete Slab Bridge replacement of an existing 100' X 28' Concrete Slab Bridge built in 1968 on Y30 (20th Avenue) over Mud Creek in Liberty Township.

Scott County Project No. BRS-CHBP-C082(63)--GB-82 (33H Liberty) is a 70' x 30.5' Continuous Concrete Slab Bridge replacement of an existing 24' X 28' Concrete Slab Bridge built in 1962 on Y30 (20th Avenue) over a Tributary to Mud Creek in Liberty Township.

The projects were let tied together under one proposal on September 15, 2020. The bids received were as follows:

Jim Schroeder Construction, Inc.	\$2,867,952.40
Brandt Construction Co. & Subsidiary	\$3,375,295.99
General Constructors, Inc. of Quad Cities	\$3,614,502.90

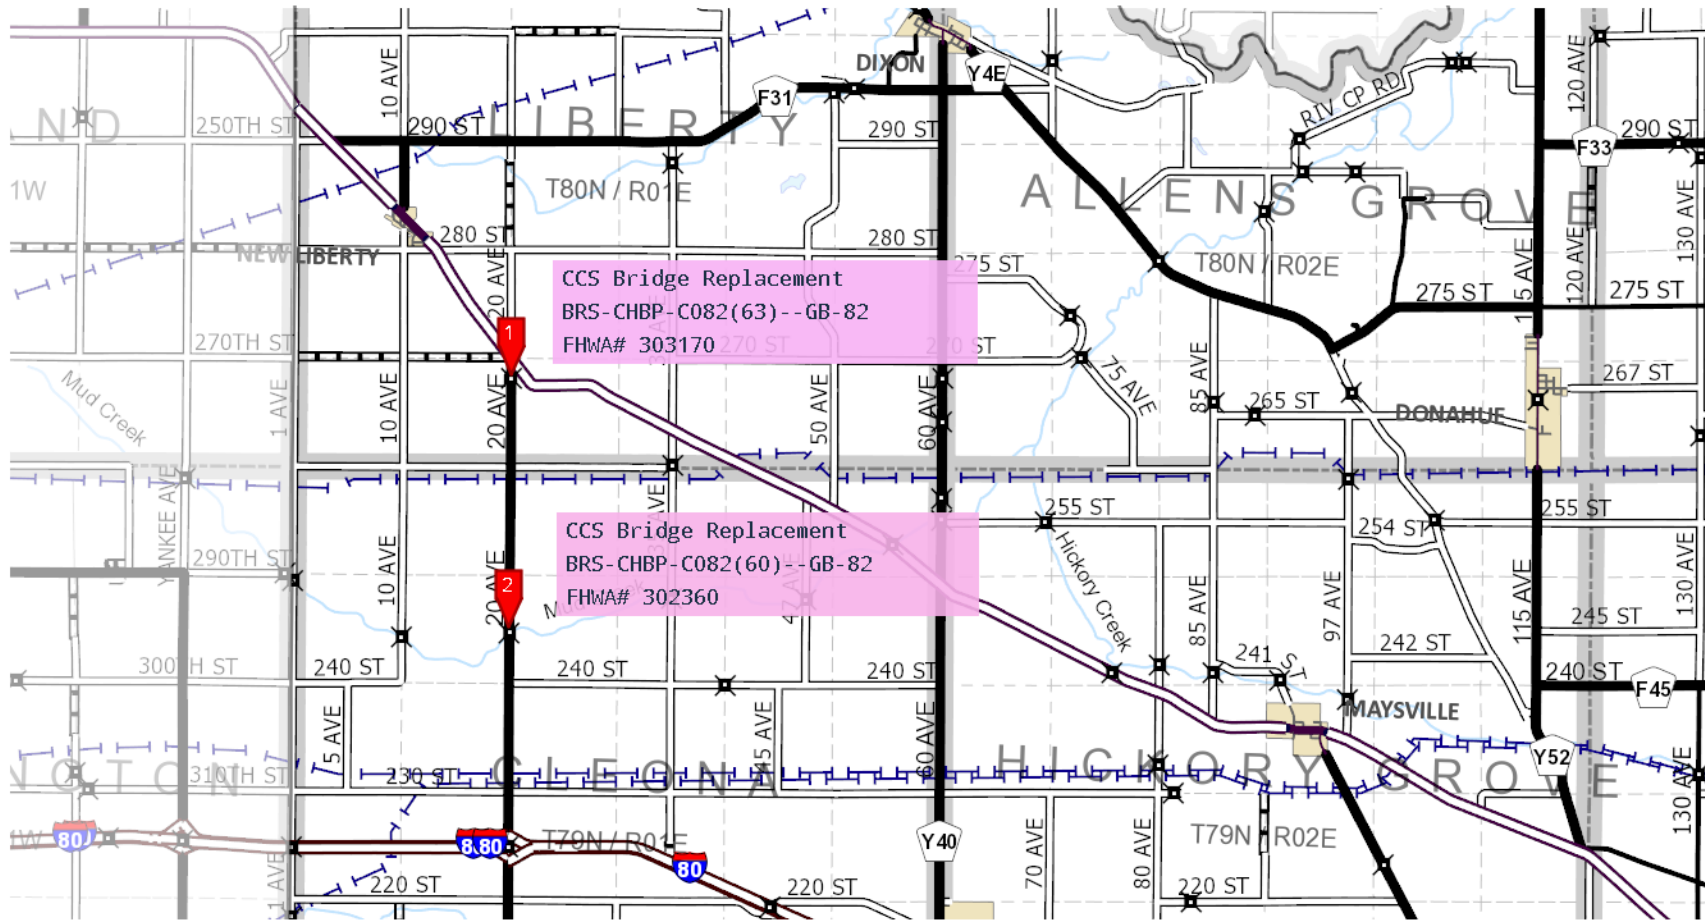

The low bid for each of our projects is less than the engineer's estimated cost. Our projects will be paid for by the Iowa Department of Transportation (IaDOT) out of our county highway bridge program funding account with partial reimbursement of federal-aid funding to that account through the grant. Federal-aid Predetermined Wages are in effect for all four projects.

I recommend entering into a contract with Jim Schroeder Construction, Inc. contingent on the unit prices listed in the contract. The Cedar County Board of Supervisors and the Bettendorf City Council have both passed resolutions recommending award of the contract. The IaDOT now processes contracts electronically with digital signatures. As part of the resolution to award the contract, I request approval to sign the contract electronically on behalf of the Board of Supervisors. Included with this memo is a Scott County projects location map.
