SUBJ: No Parking Sign Installation

DATE: November 16, 2020

I am requesting a second of three readings to amend our Code of Ordinances, Chapter 10 – Parking Ordinances, to designate areas of No Parking on specific county roads. The first reading was conducted on November 12, 2020. I have not received any public comment regarding the proposed No Parking areas.

Description of the Proposed No Parking Areas (November 3, 2020, Memo):

The first area is on Oak Street south and east of 140<sup>th</sup> Street (U.S. Hwy 61). Please see the attached location map. The Sheriff's Office has recently received several calls from Scott County residents disapproving the parking of private vehicles, tractor trailers, and boats within the Oak Street cul-de-sac.

The portion of Oak Street between U.S. Hwy 61 (140<sup>th</sup> Street) and the cul-de-sac is a county road maintained by our department. Oak Street becomes a private road south of the cul-de-sac. Our truck drivers utilize the cul-de-sac to turn around when plowing snow. The cul-de-sac also provides space for emergency vehicles to turn around. The parking of private vehicles, tractor trailers, and boats within the cul-de-sac hinders the ability to utilize this public space for traveled purposes. I recommend installing No Parking Signs within the Oak Street cul-de-sac area.

Back in June of 2018, Jon Burgstrum and I spoke with the Board of Supervisors about placing No Parking Signs in Park View along South Park View Drive, Hillside Drive, and Valley Drive. Please see the attached location map. The signs were requested by the administration at Neil Armstrong Elementary School to increase safety for children crossing the street to attend school. At that time, it was Jon and my understanding that No Parking Signs are not listed individually in our Code of Ordinances. We were looking at Chapter 13 - Traffic Code. The Board of Supervisors were supportive of the signs and we installed the signs in July of 2018.

As I was researching our Code of Ordinances to request the No Parking Signs on Oak Street, I came across Chapter 10 – Parking Ordinance and discovered that No Parking Signs are listed individually in this chapter. I recommend adding the No Parking areas around Neil Armstrong Elementary School in Park View to the ordinance.
