SUBJ: Approval for Purchase of One Half-Ton Pickup, 4X4 for Secondary Roads

The Fleet Services Division has solicited bids for one 2021 Dodge Ram 1500, 4X4, or equivalent. This replacement purchase is for the Secondary Roads. Below summarizes the bids received:

Dealership	Location	Purchase Price Per Vehicle	Total Purchase
Deery Brothers	Iowa City, IA	\$38,578.00	\$ 38,578.00

In November 2020, the Board approved a purchase of three Dodge Ram 1500 4X4 for Secondary Roads. Two of the trucks were delivered in February and it was discovered that the engine did not meet the specifications as written. The engine was a 3.6 liter, V-6 rather than a 3.6 liter minimum with a V-8. Rather than reject all three trucks, it was decided to keep the two delivered and cancel the third.

The application for the third truck is for the Secondary Roads Superintendent and does require at a minimum a 5.7 liter, V-8 engine. The specifications were revised and we went back out for bids.

Twenty vendors downloaded the request for quote. Only one vendor submitted a bid. Fleet Service recommends awarding the bid to Deery Brothers of Iowa City, IA for \$38,578.00. The difference in price between the previous trucks purchase and this truck's specification is \$7,692.00.

I will be in attendance at the next Committee of the Whole meeting to discuss this purchase and to answer any questions you or the Board may have.
