To: Mahesh Sharma, County Administrator
From: Matt Hirst, Information Technology Director
Subject: VMware Software Maintenance and Support Subscription

VMware software license maintenance and support is due for renewal. VMware software is the platform used by the County to virtualize servers and abstract server software from server hardware.

The quote summary from VMware is as follows:

<u>Product</u>	<u>Total</u>
VMware Software Support and Maintenance	\$43,369.92
Total	\$43,369.92

It is recommended that the Board approve the bid from VMware in the amount of \$43,369.62.

The support agreement provides Information Technology the ability to obtain the latest updates and patches to the software as well as software support 24x7. The result is a more functional and dependable computing environment.

Notes:

- The term of this agreement is for three (3) years through 6/18/24.
- VMware software maintenance was \$14,917 in FY'21.

Budget dollars are available in the Information Technology Department operational budget to fund the cost of this contract. SECC contributes twenty percent (20%) of the cost for this contract.
