SUBJ: Hot Mix Asphalt (HMA) Maintenance Patching Project

DATE: July 26, 2021

The Scott County Secondary Roads Department requested quotes for the construction of a HMA Maintenance Patching Project. The project consists of scarifying existing severely deteriorated asphalt and placing HMA.

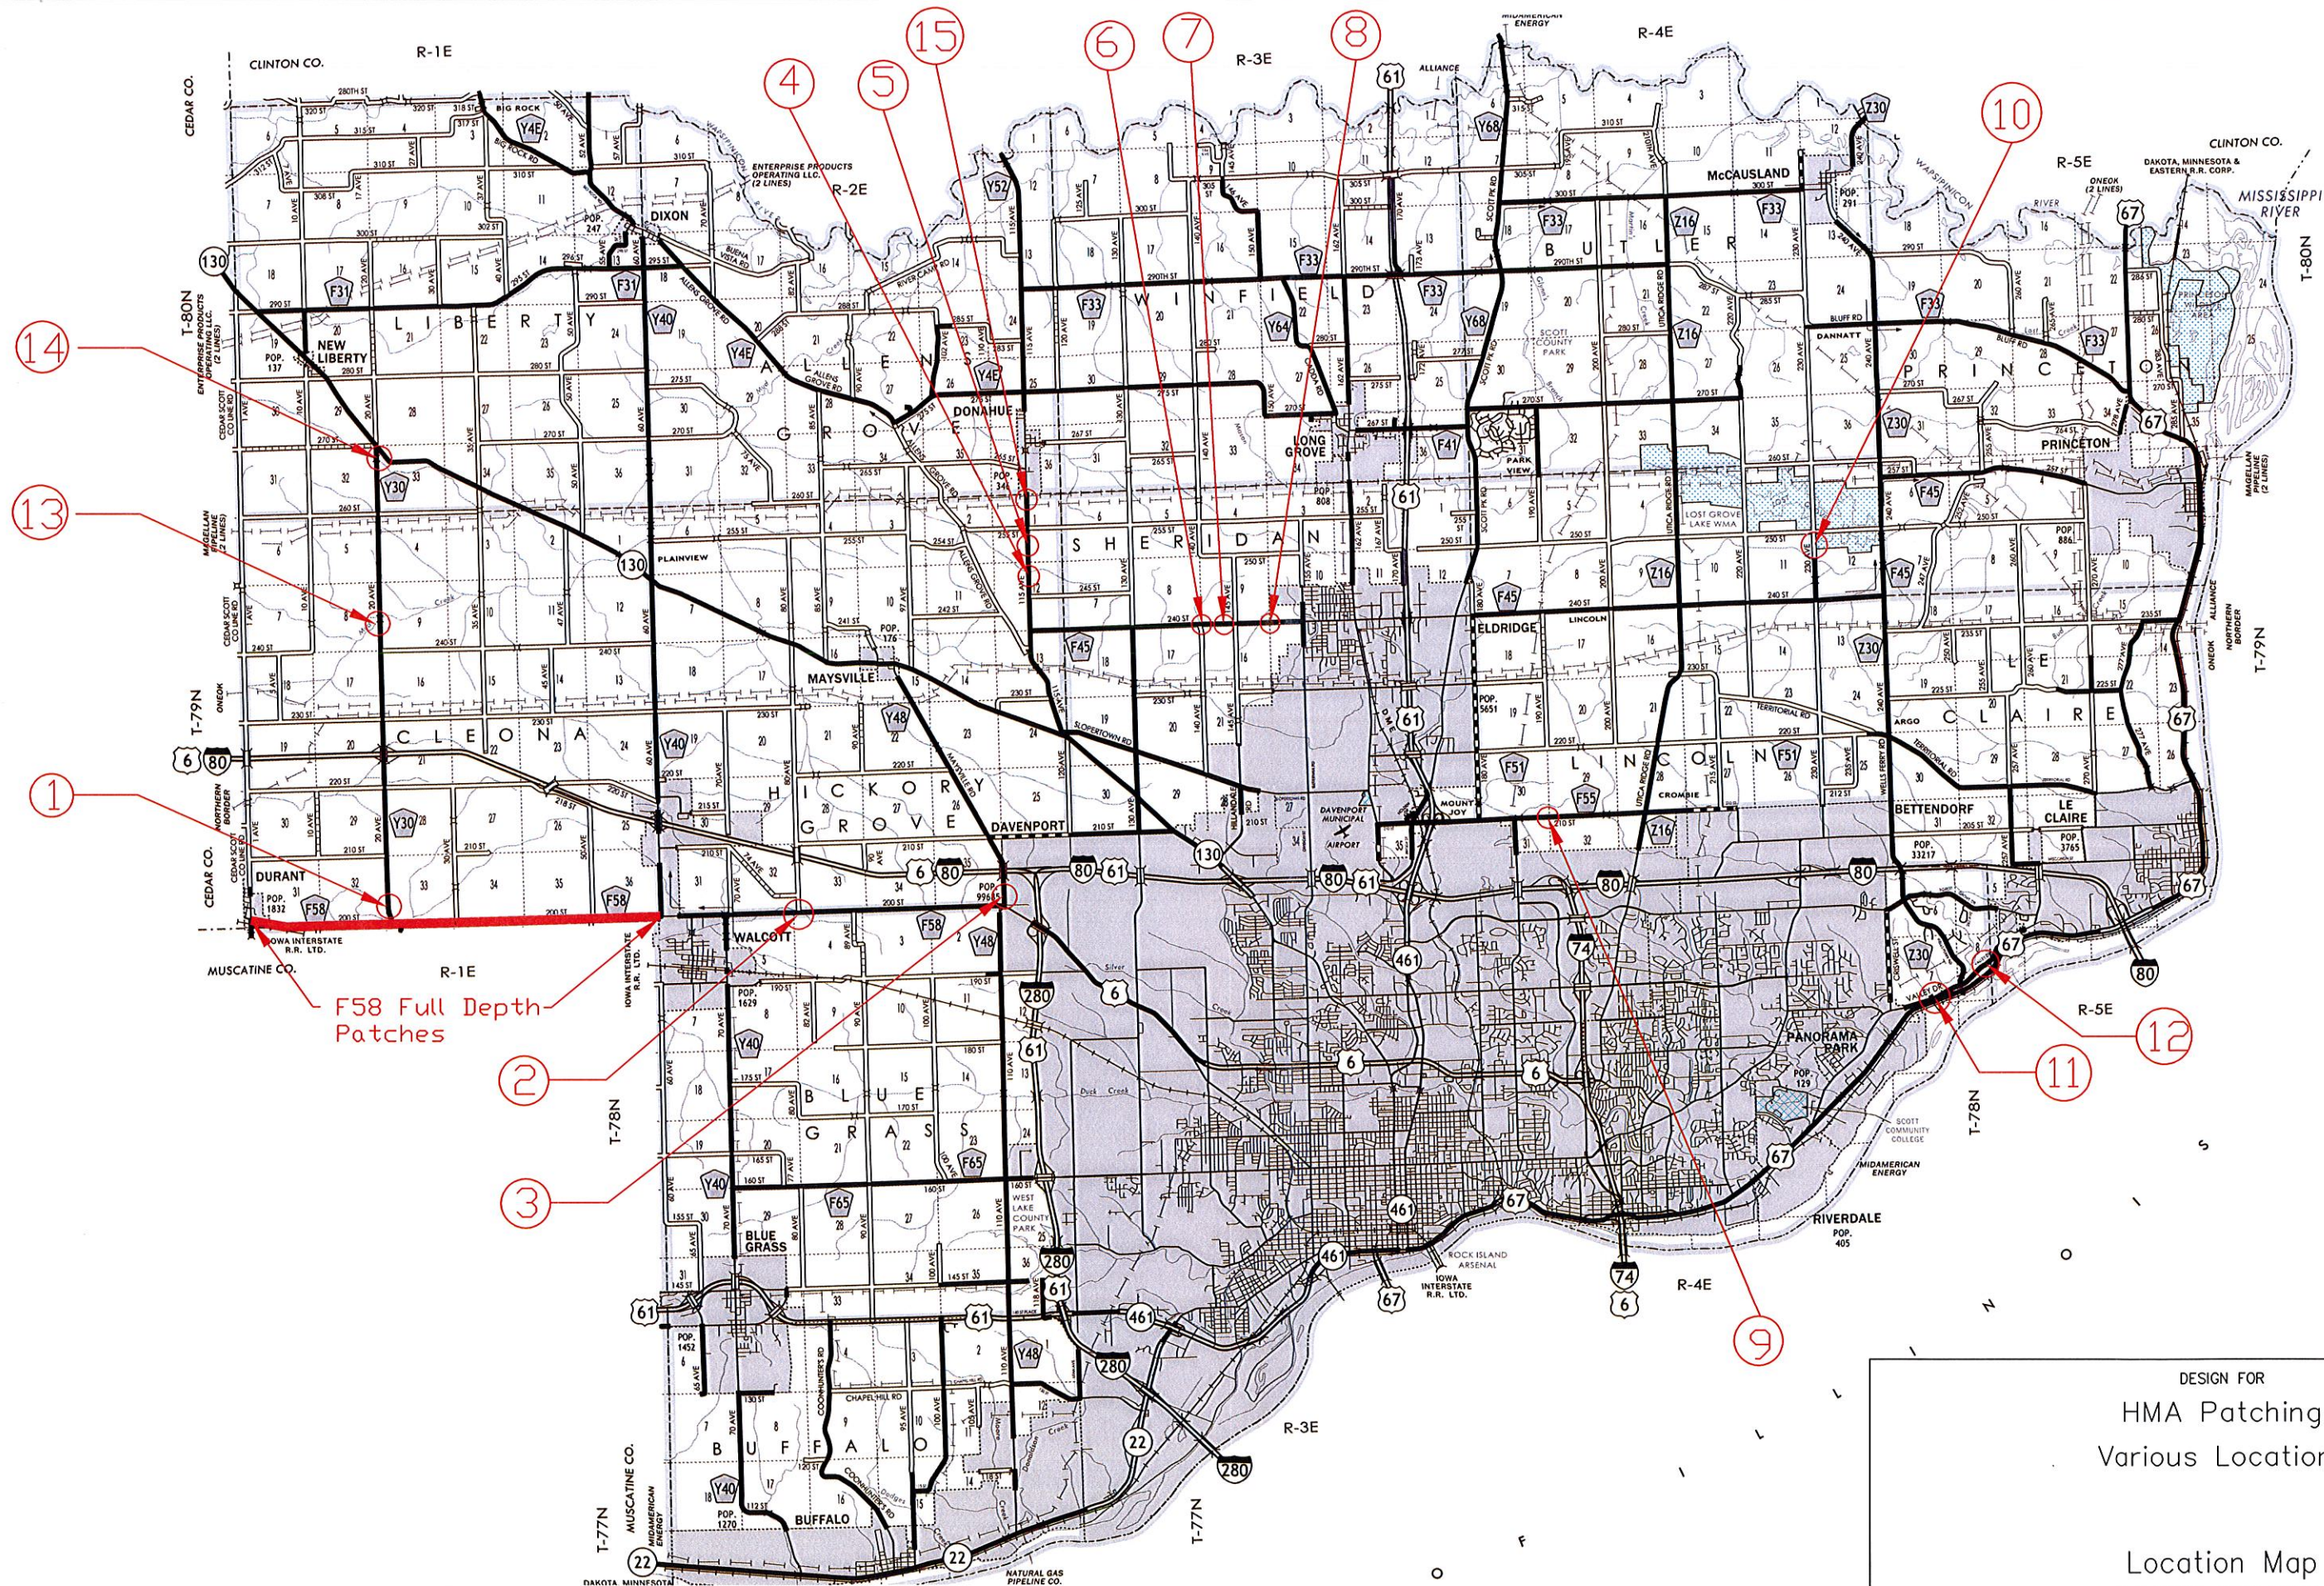

The following quotes were received:

Valley Construction Company, Rock Island, IL:	\$413,651.15
Manatt's Inc., Camanche, IA:	\$420,533.65
Brandt Construction Company, Milan, IL:	\$421,802.50

The Engineer's Estimate of Costs for this project was \$454,845.84. We have approximately \$275,000 remaining in our FY2022 budget for HMA maintenance. We also have approximately \$350,000 of unspent FY2021 HMA maintenance budgeted dollars that have been carried over into FY2022 that I will seek approval to amend the budget in 2022. In addition, Muscatine County will reimburse Scott County for 50% of the total cost of patches on F58 (~\$150,000).

I recommend entering into a contract with Valley Construction Company contingent on the unit prices submitted in their quote. Included with this memo is a project location map.
