RE: FY22 County Agreement with the Center for Alcohol & Drug Services, Inc. for Prevention Services

The Scott County Agreement with the Center for Alcohol & Drug Services, Inc. (CADS) was approved by the Board of Supervisors on July 22, 2021. That contract included detoxification, evaluation, treatment, jail based services and case management. That contract did not include the dollars that the county provides to CADS for Prevention Services.

The Scott County Substance Abuse Prevention Contract from the Iowa Department of Public Health was received earlier this month and a subcontract with CADS has been developed and approved by the Iowa Department of Public Health as required. This Contract includes \$30,000 of County funds that leverage \$10,000 from the Iowa Department of Public Health. CADS has developed a work plan and signed the subcontract.

I will be available at the Committee of the Whole meeting for any questions.
