The Maternal Health (MH) Program is part of the federal Title V Program. It is delivered through a contract with the Iowa Department of Public Health. The MH Porgram promotes the health of pregnant wormen and infants by providing or assuring access to prenatal and postpartum health care for Iow-income women. Services include: linking to health insurance, completing risk assessments, providing medical and dental care coordination, providing education, linking to transportation, offering breastfeeding classes, addressing health disparities, providing post-partum follow-up, etc. Dental care is particularly important for pregnant women because hormone levels during pregnancy can increase the risk of oral health problems.

Note: It has become clear that 2021-2022 will have ongoing challenges related to the COVID-19 pandemic and that library use, particularly in the area of programming, may not rebound as quickly as we had hoped. For example, notary and proctoring services were not offered until mid-way through the fiscal year. Estimates were revised in Jan. 2022 to reflect the new post-COVID reality for SCLS.
