SUBJ: Pavement Markings

DATE: March 10, 2022

This resolution is to approve a contract for placing pavement markings on our secondary roads. We paint centerline on all of our rural paved roads annually. We bi-annually paint white edge line on these roads. The west half of the county will receive white edge line painting this year. A request for quotes was sent out February 21<sup>st</sup> and the following quotes were received:

KAM Line Highway Markings, Gilbert, IA	NO BID
Advanced Traffic Control, Fairfax, IA	NO BID
Iowa Plains Signing, Slater, IA	\$302,668.23
Vogel Traffic Services, Orange City, IA	\$137,388.80

The low bid from Vogel Traffic Services is a 19% increase from FY 2021 prices and FY 2021 prices were a 13% increase from FY 2020 prices. However, pavement markings play one of the most important safety functions on our roads. They provide continuous information to road users regarding road alignment and the reflective properties of the paint navigate drivers during rain events and nighttime driving.

Based on the important safety aspects of maintaining reflective pavement markings, I recommend entering into a contract with Vogel Traffic Services contingent on the unit prices listed in the contract. The total budgeted amount for pavement markings in FY 2022 is \$125,000. I will request an increase in budget for pavement markings with the May budget amendment. We have sufficient fund balance to utilize towards placing pavement markings.
