TO: Mahesh Sharma, County Administrator
FROM: Deborah Dierkes, Executive Assistant
SUBJECT: UPDATED 2022 SCOTT COUNTY CODE

The recodified County Code has been reviewed by Rob Cusack and is ready for approval by ordinance. The Iowa Code states that "at least once every five years, the board shall compile a code of ordinances containing all of the county ordinances in effect." A copy of the table of contents is attached. A copy of the Code is available for the Board's review.

The Board may want to consider waiving the second and third reading of the ordinance to adopt the Code, and approve it on the first reading since the Code does not contain any proposed new ordinances or amendments.

Re: 2022 Code of Ordinances

Dear Debbie,

As you indicated, the Scott County Board of Supervisors is directed to compile a code of ordinances once every five years. Iowa Code § 331.302(10)(a) provides as follows:

“At least once every five years, the board shall compile a code of ordinances containing all of the county ordinances in effect.

(1) If a proposed code of ordinances contains only existing ordinances edited and compiled without change in substance, the board may adopt the code by ordinance.

(2) If a proposed code of ordinances contains a proposed new ordinance or amendment, the board shall hold a public hearing on the proposed code before adoption. The auditor shall publish notice of the hearing as provided in section 331.305. Copies of the proposed code of ordinances shall be available at the auditor's office and the notice shall so state. Within thirty days after the hearing, the board may adopt the proposed code of ordinances which becomes law upon publication of the ordinance adopting it. If the board substantially amends the proposed code of ordinances after a hearing, notice and hearing shall be repeated.” Iowa Code § 331.302(10)(a).

I have reviewed the proposed 2022 Ordinances you provided, both in hard copy and computer form, and it appears that they incorporate the 2017 Ordinances as modified by subsequent amendments. You have further stated that the proposed 2022 Ordinances do “not contain any proposed new ordinances or amendments.”

Because the proposed code of ordinances contains only ordinances edited and compiled without change in substance, the board may adopt the code by ordinance pursuant to Iowa Code § 331.302(10)(a)(1).

You have also informed me that the Board has, in the past, waived second and third readings of the ordinance to adopt the Code. This is permitted by Iowa Code § 331.302(6)(b). It should be noted that the waiving the additional readings requires a separate recorded vote of

not less than a majority of the supervisors. Although it is not specifically required, it is recommended that the vote on waiver of multiple readings also be placed on the board's agenda so that the public has notice that the requirement may be suspended.

I hope that the above has answered your questions and concerns. If you require additional information, please do not hesitate to contact me at your convenience.

Sincerely,

/s/ Rob Cusack

Rob Cusack
