Memo To: Board of Supervisors

From: Major Shawn Roth

REF: **Purchase of the License Plate Readers (LPR) from Vigilant Solutions**

Enclosed is a project quote for the requested license plate readers from Vigilant Solutions. This license plate reader equipment, consisting of several cameras at two locations, will be placed on the I-80 Eastbound/Westbound & US 61 at 118th Avenue. The Sheriff's Office is asking to purchase the LPR equipment with the funds set aside from the sale of the three (3) Humvee vehicles and air boat and trailer previously owned by the Sheriff's Office. There is currently \$99,509.72 in this account.

The Sheriff's Office and the Davenport Police Department have purchased their LPR equipment from Vigilant Solutions. Currently three (3) of Scott County's squad cars have the Vigilant Solutions equipment installed. To ensure uniformity, training consistency and to use the back end computer system already in place, we are wanting to purchase this LPR equipment with Vigilant Solutions.

Please feel free to contact me with any questions.
