RE: Scott County Application for Substance Abuse Funding FY2023

The Iowa Department of Public Health has released the request for bid for the FY2023 County Substance Abuse Prevention Services Grant. Dollars received from this grant may be used to provide substance abuse programming involving education, prevention, referral, or post-treatment services. Grants of up to \$10,000 are available and must be matched three to one by county dollars. This is a grant that the county has participated in for a number of years, subcontracting with CADS (Center for Alcohol & Drug Services, Inc.) to provide services.

Based on the proposed budget for FY2023 for services through CADS, Scott County is eligible to apply for the full amount of \$10,000. If received, this funding would be used by CADS to provide prevention services.

I will be at the Committee of the Whole meeting to answer any questions.
