SUBJ: Construction Contract for Intersections Improvement Project CST-061-5(149)--4C-82

DATE: July 26, 2022

This resolution is to approve a contract for construction of Intersections Improvement Project CST-061-5(149)--4C-82. The intersection improvements include building a right turn lane on 110<sup>th</sup> Avenue at the north leg of the intersection with U.S. Highway 61, building a right turn lane on 140<sup>th</sup> Street Place at the east leg of the intersection with 110<sup>th</sup> Avenue, building a restricted crossing U-turn median on U.S. Highway 61 at the intersection with 112<sup>th</sup> Avenue/Oak Street, and making minor improvements to both the north and south legs of the intersection of 112<sup>th</sup> Avenue/Oak Street with U.S. Highway 61.

This project was advertised in the Quad City Times and the notice of work was sent to all local contractors that perform this type of work. In addition, the notice of work was published in the Iowa Department of Transportation letting bulletin and in the Associated General Contractors of Iowa letting bulletin.

This project was let on July 26, 2022. The bids received were as follows:

Hawkeye Paving Corporation	\$576,993.00
McCarthy Improvement Company	\$696,197.49

The Engineer's Estimate of Costs for the project is \$653,270.20. This project is in FY2023 of our Budget and Five-Year Construction Program. Construction project costs will be paid by our department with local funds. The Iowa Department of Transportation will reimburse our department for 55% of the construction costs up to a maximum amount of \$200,000 with funds through the County-State Traffic Engineering Program (C-STEP), a cooperative program for safety improvements on the rural portion of the State Primary Road System.

I recommend entering into a contract with Hawkeye Paving Corporation contingent on the unit prices listed in the contract. Included with this memo is a project location map.
