SUBJ: Approval of Plans, Specifications, and Letting Date

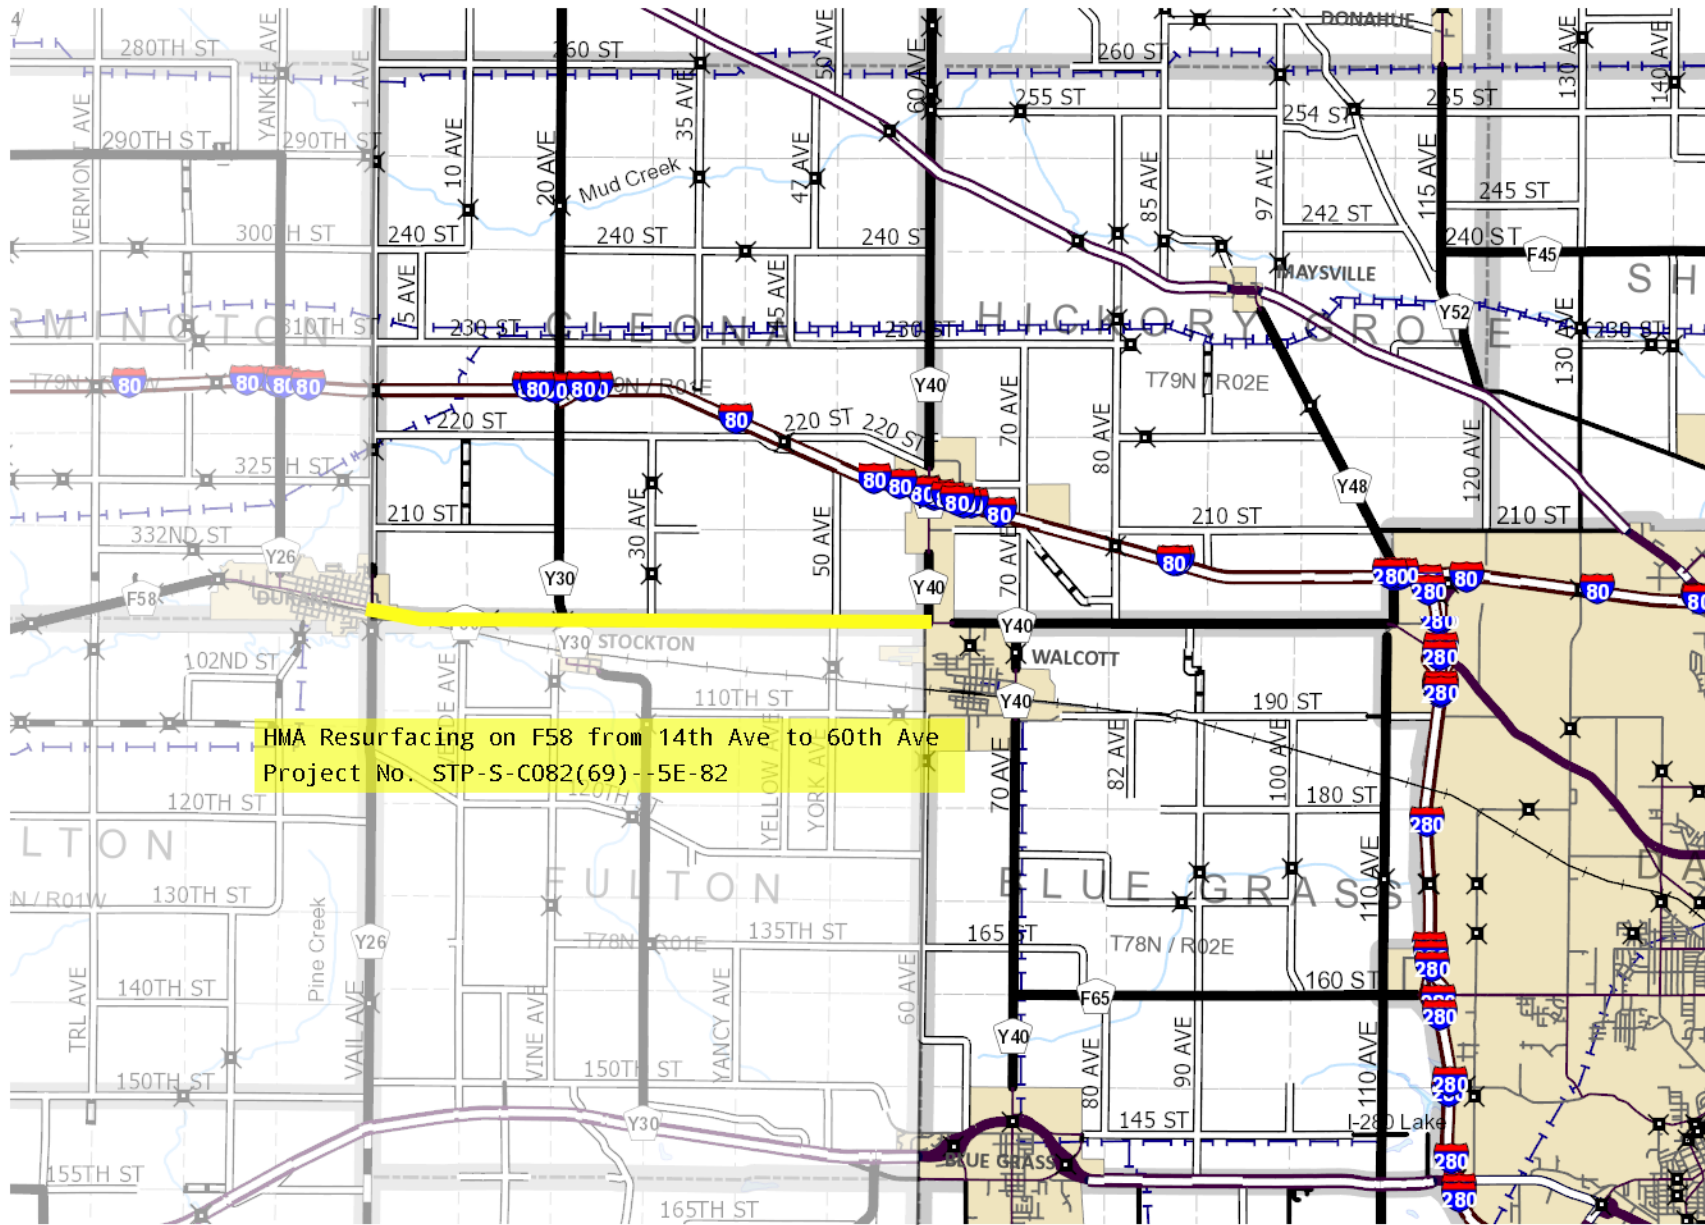

DATE: September 19, 2022

This resolution is to approve the plans, specifications, and letting date for a Hot Mix Asphalt (HMA) Resurfacing with Cold In-Place Recycling project. Project STP-S-C082(69)--5E-82 is on F58 (200<sup>th</sup> Street) from 14<sup>th</sup> Avenue, in the City of Durant, east to 60<sup>th</sup> Avenue.

This project is budgeted and programmed in FY 2023 of our County Five-Year Construction Program. Construction costs will be paid by the Iowa Department of Transportation (Iowa DOT) out of our Farm-to-Market account with partial reimbursement of federal-aid funding as stipulated in our funding agreement with the Iowa DOT. This project will have Davis-Bacon wages attached to the contract.

This project is joint with Muscatine County; however, Scott County is the lead agency and will provide all contract and construction administration. The project is on schedule for a December 20, 2022, letting by the Iowa DOT.

Included with this memo is a project location map. I recommend signing the title sheet of the plan set and approving the project for letting.
