Subject: Insurance Recommendations

Health/Pharmaceutical

We are in year 2 of a two-year agreement for our third-party administrative services with United Health Care, so there is no action necessary this year.

Stop Loss Coverage

Once again Holmes Murphy has engaged their strategic partner, Stealth, to procure proposals for stop loss coverage. They are recommending we remain with Berkshire Hathaway. The Berkshire Hathaway renewal proposal results in a 3.68% increase. We are recommending we maintain our specific stop loss coverage to \$175,000.

Dental

We are in year 3 of a three-year agreement for our third-party administrative services with Delta Dental of Iowa, so there is no action necessary this year.

<u>Vision</u>

Our consultant, Holmes Murphy reached out to our provider Avesis to discuss rates. Avesis was willing to extend current rates for two years. Additionally, they submitted plan enhancements. We are recommending we offer the enhanced lens package, L3, to staff. We've been with Avesis for 12 years with no plan enhancements. The enhancement will cost the County approximately \$18,000 dollars annually, after the employee cost share. Since insurance remains a subject of bargaining with the Deputy Sheriff Association, we met with the union to discuss options. They are in agreement to accept the change starting January 1, 2023. The rates are guaranteed for four years. This is a fully funded plan.

Health Care Rates

The County has reviewed our health care rates with our actuary, Silverstone Group. Silverstone recommends a 5.4% decrease in our funding levels. We've had a good year for claims and have been able to build back up our fund balance from previous years. Through August, we had 0 large claims which exceed the specific stop loss. This results in a \$13.94 reduction in the monthly family plan and a \$2.02 reduction in the monthly single plan costs for health insurance. Dental cost typically are predictable and last year we made some adjustments to the "buy up" dental plan, encouraging staff to choose the right plan for their specific needs. Silverstone has recommended no increase to the dental plans. As noted earlier we're recommending enhancements to the vision plan which results in small increases to employees. The family plan will increase by \$0.53 and the single plan by \$0.08 monthly for vision insurance. These overall changes result in an employee single premium decrease of \$1.94 a month and a family premium decrease of \$13.42 a month for the combined premium. The 129 employees/spouses that participated in the wellness plan will actually see an additional decrease in monthly premiums.

Flex Savings Plan

In December, 2020 we changed flex savings providers to iSolved. They provided a rate guarantee through December 31, 2023, so no action is required at this time.

The supporting documentation is attached.
