Subj: Approval of Purchase of Two (2) Mower Tractors for Secondary Roads

The Fleet Services Division has solicited bids for two mower tractors for Secondary Roads with FY23 funds. These purchases are for the replacement of a 2015 Case IH Farmall 125A mower tractor and a 2016 Case IH Farmall 120A mower tractor.

Below summarizes the bids that were received:

Vendor	Make & Model	Cost w/ Side & Rear Mowers	Cost w/ Side, Rear & Boom Mowers	Trade-In Allowed 2015 Case IH 125A	Trade-In Allowed 2016 Case IH 120A	Sub Total	5 Yr-5,000 Hr Extended Warranty Cost(Option)	Total Cost With Option
Kunau Implement, DeWitt, IA	2023 Case IH Maxxum 135	$146,600	$204,885	-$35,800	-$46,200	$269,485	$14,666 $14,666	$298,817
P&K Midwest, DeWitt, IA	2023 John Deere 6130M	$163,300	$223,300	-$30,000	-$30,000	$326,600	N/A	$326,600

We additionally solicited bids for our existing mower tractors on Public Surplus. The highest bid for the 2015 mower tractor was $31,300 and the highest bid for the 2016 mower tractor was $38,100. I recommend awarding the purchase for two mower tractors with trade-in allowed to Kunau Implement, DeWitt, IA., in the amount of $298,817.

The FY2023 equipment replacement budget included $200,000 for the replacement of one mower tractor. However, over the past year we encountered significant mechanical failures to both mower tractors that required multiple outside repairs and lengthy downtimes. Both mower tractors rank as needing immediate consideration for replacement under the American Public Works Association (APWA) Fleet Replacement Points Guideline. I have requested an additional $200,000 in our FY2023 budget amendment request for replacement of the second mower tractor. I will be in attendance at the next Committee of the Whole meeting to discuss this purchase and to answer any questions you or the Board may have.

Re: Abatement of property taxes on previously held County Tax Deeds

---

The attached list, *Exhibit A*, are properties which the County transferred to the City of Davenport, Palmer College, Sacred Heart Cathedral Foundation, 100 Black Men, and The Center via resolution dated November 10, 2022. Iowa Code Section 445.63 states that when taxes are owed against a parcel owned by a political subdivision, the Board of Supervisors shall abate such taxes.

In accordance with Iowa Code Section 445.63 it is County's policy to abate delinquent taxes and special assessments on all tax deed properties in tandem with the transfers to municipalities or non-profits or after being offered at the annual auction. This assures that potential owners are not liable for past costs associated with these properties.

Subject: Human Resources Director

At your request, I reached out to our vendor Public Sector Personnel Consutants (PSPC) to determine the appropriate grade for a Human Resources Director in the County's pay scale. I provided them with an updated Position Analysis Questionnaire (PAQ) based on the duties we discussed. The review the comparable governmental entities we used previously for the Compensation and Classification study in 2019 and the regional private sector. Subject: AFSCME, PPME & Teamster Ratifications

We have been able to reach a voluntary settlement with the AFSCME, PPME and Teamster units. All units have agreed to a 3% GWI on July 1, 2023 (FY24).

AFSCME has some operational changes where we agreed to inserting Policy O language related to sick leave, which was inadvertently deleted from the contract in 2018. We also agreed that any paid sick leave would go into a Retirement Health Savings (RHS) account. This program was previously agreed to with PPME and Teamster units. Other operational issues addressed overtime distribution in FSS. Additionally, we've agreed to five-year agreement with wage reopeners the final four years of the agreement.

PPME agreed to operational issues related to the move to summer work hours, inclusion of FML in wellness day calculations and a "me too" clause on future holidays for the term of the agreement. Additionally, we've agreed to five-year agreement with wage reopeners the final four years of the agreement.

The length of the Teamster agreement is 3 years, with a wage reopener in the second and third years.

RE: External Consultant for EMS Transition Study and Business Consulting Services

MEDIC EMS visited the Scott County Board of Supervisors on April 12, 2022 to discuss the future status of MEDIC EMS as a 501(C)3 corporation or if it could be transitioned to a governmental department or a quasi-governmental agency through a 28E agreement between governments. On September 29, 2022, the MEDIC EMS Board adopted a resolution requesting Scott County to declare emergency medical services as an essential county service, with MEDIC EMS continuing to deliver medical services as a department of Scott County. On October 13, 2022 the Board of Supervisors approved the study of a new operating department of Scott County delivering emergency medical services throughout Scott County. The County developed transition plan is to be provided to the Board of Supervisors by March 31, 2023.

The County developed transition plan is in progress and is assessing operational goals, statistics, financial modeling, transitional operations plan, tasks and desired outcomes. During our evaluation, the work group determined the need for additional consultation outside of Scott County's staff expertise. The work group reached out to three vendors for consultation and is recommending a contract with Public Consulting Group, for an all-inclusive fee of $33,500. Funding is available through general fund balance in fiscal year 2023. Public Consulting Group's Public Safety Consulting Service comprises of subject matter experts with over 70 years of combined fire and EMS industry experience with a variety of service delivery models. Additionally, the Public Consulting Group is highly experienced in the Iowa cost reporting and Ground Emergency Medical Transportation (GEMT) reporting. GEMT is potentially a significant revenue source for the EMS service being considered by the County.

The consultation contract includes two phases including an Operational Analysis within the first 2-3 months of the contract, and an Administrative & Financial Analysis after an additional 3-4 month timeline. The Operational Analysis will independently look at call volume, response time, needs assessment, identification of impacts to 9-1-1 dispatching, organization structure, MEDIC EMS (501c3) transition timeline to County, and stakeholder interviews. The Administrative & Financial Analysis, will include community / municipality interviews, employee engagement, staffing needs assessment, financial analysis including GEMT revenue projections, identification of administrative / regulatory impacts, and comparison to three similar agencies / departments.

The county transition plan may be issued separately from the engaged services after review and consultation.

It is the project team's recommendation to enter into contracted services with Public Consulting Group.
