Re: 2022 Hazard Mitigation Plan Update Adoption

Scott County, with the assistance of the Bi-State Regional Commission, has prepared a Multi-Jurisdictional Hazard Mitigation Plan. Jurisdictions participating in this plan have included Scott County, the Cities of Bettendorf, Blue Grass, Buffalo, Davenport, Dixon, Donahue, Eldridge, LeClaire, Long Grove, Maysville, McCausland, New Liberty, Panorama Park, Princeton, Riverdale and Walcott, Bettendorf CSD, Pleasant Valley CSD, North Scott CSD, and Eastern Iowa Community College. The previous Multi-Jurisdictional Hazard Mitigation Plan was adopted November 2, 2017

This Hazard Mitigation Plan is required by FEMA to ensure communities are eligible for several types of FEMA (Federal Emergency Management Agency) grant programs.

Attached is the draft plan for consideration and adoption by the Board of Supervisors. Changes and updates to the plan include:

- Updates to statistical information, demographics and historical information
- Revised rankings of risks from hazards by participating community;
- Revised mitigation actions by participating community

We plan to also hold a public hearing at the Board meeting on December 20th at 5:00 P.M. to allow for public input and comment. EMA and Planning & Development Staff will plan to attend both the Committee of the Whole as well as the public hearing to aid in answering any questions regarding the plan or the planning process.
