RE: Request outside legal counsel for MEDIC EMS study

Scott County continues the evaluation process for transition MEDIC EMS (501c3) to a department of Scott County. During our study of this transition, the project team has identified a number of issues, including acquisition contracting, human resources communications and compliance, property acquisition and agreements, outstanding contracts among other topics, which outside legal counsel may be necessary.

The County Attorney's office has requested the Board of Supervisors make a formal request to the Project Team for compliance of using outside legal counsel. The project team is evaluating potential firms to acquire these services with the help of County Attorney's office representative Rob Cusack.

A resolution is requested for approval of outside legal services.
