SUBJ: Award of Contract for an Intersection Safety Improvement Project

DATE: March 31, 2023

This resolution is to approve a contract for the construction of safety improvements at the intersection of Y40 (60th Avenue) and Hwy 130. Project No. HSIP-SWAP-C082(68)--FJ-82 includes replacement of regulatory and warning signs, re-cutting the transverse rumble strip panels on Y40, repainting pavement markings, and installing solar flashing beacons on the stop signs and intersection warning signs.

This intersection is identified as a high risk intersection in our Local Road Safety Plan. The intersection is two-way stop control with traffic stopping on Y40. Y40 intersects Hwy 130 at a severe angle and therefore it can be difficult for traffic on Y40 to see traffic traveling on Hwy 130. There have been 11 crashes at this intersection in the past 11 years that involve traffic on Y40 failing to yield the right-of-way to traffic on Hwy 130.

The project was let by the Iowa Department of Transportation (Iowa DOT) on March 21, 2023. One bid was received from Iowa Plains Signing, Inc., Slater, IA, for \$39,880. The bid for this project is less than our engineering estimate of \$68,170.

This project is in FY 2023 of our Five-Year Construction Program. Our department applied for and was awarded funding from the Iowa DOT through the Highway Safety Improvement Program (HSIP) – Secondary Program for this project. We entered into a funding agreement with the Iowa DOT for this project on March 23, 2022. Construction project costs will be paid by our department and we will receive reimbursement of those costs from the Iowa DOT as stipulated in the funding agreement.

Rob Cusack has reviewed the contract and responded that it is sufficiently drafted to accomplish its intended purpose. I recommend entering into a contract with Iowa Plains Signing, Inc., contingent on the unit prices listed in the contract. The Iowa DOT now processes contracts electronically with digital signatures. As part of the resolution to award the contract, I request approval to sign the contract electronically on behalf of the Board of Supervisors. Included with this memo is a project location map.
