---

December 12, 2023

To: Mahesh Sharma, County Administrator  
From: Paul Andorf, Director

Attached are agreements with Genesis Medical Center – Davenport, MercyOne – Clinton, and UnityPoint Health-Trinity, Bettendorf, to establish a medication program that meets or exceeds the requirements of:

- Iowa Code Chapter 657-11 (124, 147A, 155A) Drugs in Emergency Medical Service Programs and Iowa Code Chapter 641-132 (147A).
- 132.3(8) Medications in service programs
  - a. A service program shall have written pharmacy agreements in accordance with the Iowa board of pharmacy's 657 - Chapter 11.
  - b. A service program shall maintain all medications in accordance with the rules of the Iowa board of pharmacy's 657 - Chapters 10 and 11.
  - c. A service program shall develop, maintain, and follow a written pharmacy policy.
- In accordance with Iowa Code 657-11.3, service programs that administer controlled substances shall ensure that each primary program site is registered with the Iowa Board of Pharmacy.

These agreements provide interaction of the physician, medical director, pharmacist, service leadership, and EMS providers, which is critical for the success of the medication program.

The Scott County legal department has reviewed these attached agreements and found the agreements are sufficiently drafted to accomplish their intended purpose and are not in contravention of state law.

This resolution will allow the Director of MEDIC EMS of Scott County to sign such agreements on behalf of the Scott County Board of Supervisors.

**MEDIC EMS of Scott County  
Pharmacy-Based Option Agreement, Policies and Procedures  
with  
Genesis Medical Center-Davenport for Prescription Drugs**

<b>Primary Site:</b>	1204 East High Street, Davenport, IA 52803
<b>Satellite Sites:</b>	2202 North Marquette Street, Davenport, IA 52804 1040 West 4 <sup>th</sup> Street, Davenport, IA 52801 1933 Spruce Hills Drive, Bettendorf, IA 52722 100 South 14 <sup>th</sup> Street, Eldridge, IA 52748 107 North Cody Road, LeClaire, IA 52753 1410 North 4 <sup>th</sup> Street, Clinton, IA 52732 606 West Mayne Street, Blue Grass, IA 52726

**General Purpose:**

To establish a medication program that meets or exceeds the requirements of Iowa Code Chapter 657-11 (124, 147A, 155A) Drugs in Emergency Medical Service Programs and Iowa Code Chapter 641-132 (147A).

132.3(8) Medications in service programs

- a. A service program shall have written pharmacy agreements in accordance with the Iowa board of pharmacy's 657 - Chapter 11.
- b. A service program shall maintain all medications in accordance with the rules of the Iowa board of pharmacy's 657 - Chapters 10 and 11.
- c. A service program shall develop, maintain, and follow a written pharmacy policy.

**General Procedure:**

The interaction of the physician medical director, pharmacist, service leadership and EMS providers is critical for the success of the medication program. All staff must understand their role, responsibilities and duties as part of the team. Every team member shall receive an initial orientation to this policy and be provided with an opportunity for input and updates when amended.

**CSA Registration:**

In accordance with Iowa Code 657-11.3, service programs that administer controlled substances shall ensure that each primary program site is registered with the Iowa Board of Pharmacy.

**Affirmation & Approval:**

The signatures within this document indicate approval of the policies and procedures and commitment to perform the assigned duties as described within the agreement.

<b>PRINT OR TYPE BASE PHARMACY INFORMATION:</b>

Pharmacist in charge of Base Pharmacy	Adam Baird		
Service Director at the Primary Site	Paul Andorf		

### SECTION A: RESPONSIBILITY, WRITTEN AGREEMENT, OWNERSHIP

**Policy:** The service shall maintain a formal written agreement and policies and procedures that describe the role and responsibilities of the parties that enter the agreement.

**Procedure:**

1. Pharmacy-based programs are operating as an extension of the pharmacy. Ownership of the drugs remains with the Iowa-licensed pharmacy.
2. The pharmacist in charge shall be responsible for ensuring the management of all prescription drugs complies with federal and state laws and regulations.
3. The pharmacist in charge and the service director shall sign the agreement.
4. The agreement shall be maintained at both the pharmacy and the primary program site.
5. The service shall email a signed electronic copy or mail a copy of the signed agreement to the Regional EMS Coordinator promptly when initiated or amended.

### SECTION B: TERMINATION OF SERVICES

**Policy:** This agreement may be terminated at the discretion of the service director or the pharmacy.

**Procedure:**

1. Written notification of termination shall be provided to the other party at least 90 days prior to termination of services.
2. Immediately upon termination, all controlled substances shall be jointly inventoried by the pharmacist in charge and the service director or their designees.
3. A record of the inventory shall be maintained at the pharmacy.
4. All drugs that are the property of the pharmacy shall be immediately returned to the pharmacy.

### SECTION C: POLICIES AND PROCEDURES

**Policy:** Service programs that administer controlled substances shall ensure that each primary program site shall obtain and maintain Iowa Controlled Substance Act (CSA) registration.

**Procedure:**

1. CSA registration shall be issued in the name of the service program and shall secondarily name the provider pharmacy.
2. CSA registration shall be issued for the address of the service program's primary program site and shall identify the pharmacist in charge of the provider pharmacy as the individual

responsible for controlled substances.

## **SECTION D: POLICIES AND PROCEDURES**

**Policy:** The pharmacist in charge and service director shall develop, implement and adhere to these written pharmacy procedures for the operation and management with respect to prescription drugs.

**Procedure:**

1. The service shall maintain documentation of periodic reviews of these policies and procedures by the pharmacist in charge or designee, medical director and service director.
2. The service shall maintain documentation of staff training to the service pharmacy agreement and policies & procedures when initiated and amended.
3. All records regarding prescription drugs shall be maintained and be available for inspection and copying by the Iowa Board of Pharmacy and the Iowa Bureau of Emergency Medical and Trauma Services.
4. Identification, Access and Administration:
  - a. The service shall ensure that access is limited to appropriate staff and proper documentation is maintained.
  - b. The service shall maintain records that log access to prescription drugs and records regarding procurement, storage and administration of the drugs.
  - c. The log shall be maintained in a manner that is readily accessible and be made available for inspection and copying by the Iowa Board of Pharmacy and the Iowa Bureau of Emergency Medical and Trauma Services.
  - d. The log shall include the staff member's printed name and signature, printed and signed initials, level of certification and other unique identification used in the service records.
  - e. Access to prescription drugs shall be limited to certified EMS providers that are listed on the pharmacy signature log and the service programs AMANDA roster.

Medication Security Measures:  
Medication shall be locked when not in use. Only medication authorized individuals shall have access to the locked medication areas. All records shall be kept in a locked area with access to only authorized individuals.

Controlled substances are stored in a separate box with a sequentially numbered tag issued by the pharmacy. The tag number is documented as part of the monthly inspections conducted by MEDIC EMS of Scott County.
  - f. EMS providers may administer prescription drugs that are within their Scope of Practice and authorized in written protocols by the service medical director.
5. Procurement, Storage, Inspection and Inventory Control
  - a. The pharmacist in charge shall order, receive and distribute prescription drugs.

- b. Records of ordering and receipt of drugs shall be maintained by the pharmacist/pharmacy.
- c. The service shall maintain, at the primary site, an accurate list of all prescription drugs.
- d. The service shall maintain records of monthly inspections of all drugs at the primary site and all satellites.
- e. The inspection shall include removal of outdated or adulterated drugs that are quarantined for disposal.
- f. Staff may handle drugs within their current scope of practice as defined by the Bureau of Emergency Medical and Trauma Services.
- g. All staff are authorized to perform and document monthly inspections of security and temperature.
- h. Storage at the primary site and all satellites will be in a designated, secure, clean and free of debris climate-controlled area.
- i. Environmental temperatures shall be recorded, at a minimum, on a monthly basis.
- j. Drugs exposed to extreme temperatures (>104 degrees and <13 degrees Fahrenheit) shall not be administered to patients and removed from usable stock and quarantined for proper disposal.
- k. The pharmacist in charge shall notify the service regarding recalls and ensure removal and replacement.
- l. Expired, recalled and damaged drugs shall be removed from usable stock and returned to the pharmacy.

## 6. Replenishment

- a. Service staff may request replenishment of drugs maintained at the primary program site or satellites provided that the pharmacy has been supplied with administration records justifying the order.

Replenishment process:

Medications that are used for patients, damaged or outdated are replaced by the pharmacy upon receipt of a completed MEDIC EMS of Scott County Pharmacy Replacement Request form signed by the MEDIC EMS of Scott County paramedic and receiving facility physician. The pharmacy retains the original form and MEDIC EMS of Scott County retains the duplicate copy.

- b. The pharmacist shall approve every drug taken from the pharmacy's dispensing stock. The pharmacist shall document and maintain verification of approval.

## 7. Protocols, Administration of Drugs Beyond the Limits of Protocols, Patient Care Reports

- a. The medical director shall approve patient care protocols for all drugs carried by the service.

- b. The service will ensure the pharmacist in charge receives the patient care protocols when state or local updates are approved by the medical director.
  - c. The pharmacist in charge and service director shall ensure that the drugs and controlled substances carried by the service match the drug list in the approved patient care protocols.
  - d. Drugs may be administered beyond the limits of the patient care protocols provided that online or verbal medical direction has been obtained prior to administration.
  - e. Verbal orders for drugs not covered in the patient care protocols shall be repeated back to the physician or designee for verification.
  - f. Drugs administered outside the parameters of the approved patient care protocols shall be documented in the patient care report including the name of the authorizing prescriber and any person that may have relayed the order.
  - g. Patient care reports that include drugs administered outside the parameter of the approved patient care protocols are subject to an immediate written audit of the patient care report per the service Continuous Quality Improvement Policy.
8. Controlled Substance Administration, Destruction & Disposal, Inventories & Record Maintenance, Suspicion of Loss or Theft
- a. The service shall deliver an order signed by the prescriber to the pharmacy within seven days of the date the administration was authorized, for all Schedule II controlled substances.
  - b. Every inventory and other required records shall be maintained by the pharmacy and the service and shall be readily retrievable and available for inspection and copying by the Iowa Board of Pharmacy and the Bureau of Emergency Medical and Trauma Services.
  - c. A perpetual inventory (electronic or manual) of Schedule II controlled substances shall be maintained at the primary program site:
    - i. The electronic inventory shall provide for a hard-copy print out for any specified period of time and shall include the current inventory quantities for each drug at the time the record is printed.
    - ii. Electronic entries may not be changed once recorded. Adjustments or corrections shall require a separate entry that includes the identity of the person making the correction and the reason for the correction.
    - iii. The perpetual inventory shall identify all receipts and disbursements of Schedule II controlled substances by name or National Drug Code.
    - iv. The perpetual inventory shall include patient administration, wastage, return to the pharmacy and disposal.
    - v. The record of receipt shall identify the source of the drug, the strength and dosage form, the quantity, the date, and name or the unique identification of the individual verifying receipt of the drug.

- vi. The record of disbursement shall identify where and to whom the drug is disbursed or administered, the strength and dosage form, the quantity, the date, and the name or the unique identification of the individual verifying receipt of the drug.
- vii. The pharmacist in charge or designee shall be responsible for reconciling the physical inventory of all Schedule II controlled substances with the perpetual inventory balance at least monthly.

Individual responsible for the monthly reconciling: Chuck Gipson, MEDIC EMS of Scott County Quality/Education Manager
--

- viii. Any discrepancy shall be reported to the pharmacist in charge.
- d. The service shall document an annual accurate inventory of Schedule II controlled substances at the primary site and any satellites that carry controlled substances.
  - e. All controlled substance records for the primary program site and any satellites shall be maintained at the primary site. The records will clearly identify which records are for the primary site and each of the satellite(s).
  - f. The pharmacy and primary program site shall maintain records of destruction or disposal of controlled substances.
    - i. Outdated, adulterated or unwanted supply shall be quarantined until the controlled substance can be returned to the pharmacy. EMS personnel shall not destroy controlled substances, except during wastage.
    - ii. For destruction and disposal of controlled substances the pharmacist shall use the services of a DEA-registered and Iowa-licensed disposal firm or other means approved by the board.
    - iii. EMS personnel, the medical director or pharmacist may destroy or dispose of the unused portion of a controlled substance resulting from administration to a patient.
      - a) Wastage shall be conducted in the presence of an EMS provider authorized to administer the drug, professional or technical pharmacy staff, or a licensed healthcare professional.
      - b) Written or electronic records of controlled substance wastage shall be maintained by the service and pharmacy.
      - c) The records shall include legibly printed names and the signatures or other unique identification of the witness and of the individual wasting the controlled substance and:
        - 1) The controlled substance wasted;
        - 2) The date of destruction or disposition;
        - 3) The quantity or estimated quantity of the wasted controlled substance;

4) Patient identification;

- g. Upon suspicion of loss or theft of any controlled substance, the service shall notify, in writing (email preferred), the pharmacist in charge and the Bureau of Emergency Medical and Trauma Services within 48 hours of the discovery of the theft or loss.
- h. The pharmacist in charge shall notify, in writing, the DEA and Iowa Board of Pharmacy of any theft or significant loss of any controlled substance within two weeks of the discovery of the theft or loss.
- i. The incident report shall be maintained at the pharmacy and at the primary program site.

# MEDIC EMS of Scott County Pharmacy-Based Option Agreement, Policies and Procedures with MercyOne Clinton for Prescription Drugs

<b>Primary Site:</b>	1204 East High Street, Davenport, IA 52803
<b>Satellite Sites:</b>	2202 North Marquette Street, Davenport, IA 52804 1040 West 4 <sup>th</sup> Street, Davenport, IA 52801 1933 Spruce Hills Drive, Bettendorf, IA 52722 100 South 14 <sup>th</sup> Street, Eldridge, IA 52748 107 North Cody Road, LeClaire, IA 52753 1410 North 4 <sup>th</sup> Street, Clinton, IA 52732 606 West Mayne Street, Blue Grass, IA 52726

**General Purpose:**

To establish a medication program that meets or exceeds the requirements of Iowa Code Chapter 657-11 (124, 147A, 155A) Drugs in Emergency Medical Service Programs and Iowa Code Chapter 641-132 (147A).

132.3(8) Medications in service programs

- a. A service program shall have written pharmacy agreements in accordance with the Iowa board of pharmacy's 657 - Chapter 11.
- b. A service program shall maintain all medications in accordance with the rules of the Iowa board of pharmacy's 657 - Chapters 10 and 11.
- c. A service program shall develop, maintain, and follow a written pharmacy policy.

**General Procedure:**

The interaction of the physician medical director, pharmacist, service leadership and EMS providers is critical for the success of the medication program. All staff must understand their role, responsibilities and duties as part of the team. Every team member shall receive an initial orientation to this policy and be provided with an opportunity for input and updates when amended.

APPROVING AGREEMENTS BETWEEN MEDIC EMS OF SCOTT COUNTY  
AND GENESIS MEDICAL CENTER - DAVENPORT, MERCYONE - CLINTON, AND  
UNITYPOINT HEALTH-TRINITY, BETTENDORF

BE IT RESOLVED BY the Scott County Board of Supervisors as follows:

Section 1. These Agreements are to establish a medication program that meets or exceeds the requirements of Iowa Code Chapter 657-11 (124, 147A, 155A) Drugs in Emergency Medical Service Programs and Iowa Code Chapter 641-132 (147A).

Section 2. 132.3(8) Medications in service programs

- a. A service program shall have written pharmacy agreements in accordance with the Iowa board of pharmacy's 657 - Chapter 11.
- b. A service program shall maintain all medications in accordance with the rules of the Iowa board of pharmacy's 657 - Chapters 10 and 11.
- c. A service program shall develop, maintain, and follow a written pharmacy policy.

Section 3. In accordance with Iowa Code 657-11.3, service programs that administer controlled substances shall ensure that each primary program site is registered with the Iowa Board of Pharmacy.

Section 4. That the Director of MEDIC EMS of Scott County is hereby authorized to sign said agreements on behalf of the Board.

Section 5: This resolution shall take effect immediately.
