Re: Pay Rates for Election Temps

Date: February 1, 2024

I am requesting to increase the pay rate for the Election Temp positions beginning July 1, 2024. These positions serve the Scott County Auditor's Office during general elections and assist in an array of duties (phones, mail, in-person voters).

Their presence is necessary to assist our staff with the high volume of voter turnout. During peak activity periods our office uses 5-10 temp positions. Because these are temp positions, which are short-term assignments, it is more difficult to recruit interested candidates. My hope is the pay increase will assist in recruitment efforts.

The election temp positions were created in 2014 with a pay rate of \$13.33. Unfortunately, it has been determined this pay rate has never been increased. Therefore, I am asking for an hourly increase to \$15.00. This requested rate reflects a more reasonable rate for the assigned tasks and is comparable to other office positions.

The proposed increase is included in the FY25 budget to prepare for the fall of 2024. General elections are busy times and require extra staff to assist in meeting the needs of Scott County voters. I will be available at the January 30 Committee of the Whole meeting and would be happy to answer any questions. Thank you for your consideration.
