RE: Information Technology New Hire – Network Systems Administrator

We have selected a candidate to fill the position of Network Systems Administrator in the Information Technology Department. Six (6) candidates were interviewed, selected from twelve (12) which applied for the position.

The candidate chosen, Jonah Struck, has an Associate's in Arts and Science from Scott Community College. Mr. Struck additionally has three (3) years working in the information technology field with varied and progressing levels of experience. He has been a Network Engineer / Cybersecurity Analyst for Rouse Consulting from 2022 to present and held a relevant Tier 2 Software Support Technician position with Winsor Consulting prior to that for approximately two (2) years.

Due to the exceptional technical and project management qualifications of this candidate, I am recommending we hire at a salary of $31.55 per hour (~$65,624 per year) or Step 2 for this position as well as 2 week vacation accruals.

cc: Jonah Struck
