Public sector payments for services are to be made to Quad Cities Chamber on an annual schedule. The estimated amount of public funding for the four year agreement will be based on an annual per capita formula, which reflects a 2% adjustment every year based on inflation. Exurban counties investment is \$10,000, with a 2% adjustment every year based on inflation. Scott and Rock Island counties investment is calculated per capita of total county population minus city population actively funding the agreement. If a city declines investment but their local economic development organization or Chamber invests instead, they can be exchanged in the agreement if they contribute the required amount. For communities new to the partnership or where an increase is scheduled based on population changes, arrangements can be made to step in with 50% of the total increase due by the end of the first year, and the total amount due by the end of the second year. Per capita is determined by the US Census and Community Survey Population estimates, whichever is most recent.

Year One = \$1.40 per capita; \$0.25 exurban per capita
Year Two = \$1.43 per capita; \$0.28 exurban per capita
Year Three = \$1.46 per capita; \$0.31 exurban per capita

EXHIBIT D -- Partner Code of Ethics

INTRODUCTION

Quad Cities Chamber is committed to the economic development and growth of the Quad Cities region. Quad Cities Chamber brings together the interests of a broad range of public, private, and public/private groups to promote the Quad Cities region as a single economic entity. The collaboration of such a variety of groups and interests requires that certain standards of conduct must be developed and adhered to for the Quad Cities Chamber to meet its goals. This Code of Ethics represents the standards that each participant in the Quad Cities Chamber regional economic development efforts supports and practices in its daily conduct of business.

PREAMBLE

We, the Quad Cities regional economic development partners of Quad Cities Chamber, set forth the following principles of behavior and standards of conduct to guide efforts in promoting the long-term economic health of the Quad Cities region. We realize that no Code of Ethics is of value without an inherent level of trust in the integrity of one another and a commitment from each of us to conduct ourselves at the highest levels of professional conduct. The Quad Cities Chamber was founded on the respect and trust of its members. In that spirit, we set forth this Code of Ethics.

We are committed to the promotion of the Quad Cities region as a desirable business location for new and expanding companies. When representing Quad Cities Chamber, we shall endeavor to sell “Quad Cities Region” and our individual communities and projects second.

We shall honor the confidentiality requested by both our fellow partners of Quad Cities Chamber and our prospects. Information shared with our fellow partners in confidence shall remain in confidence. Transactions are to be driven by the client. In the event a company chooses to relocate from one community to another, every effort will be made to contact the affected community to let them know of the potential move as outlined in the Regional Economic Development Cooperation resolution, adopted annually through the regional Comprehensive Economic Development Strategy process. Violation of this commitment shall be viewed as the single most serious breach of our commitment and partnership in the Quad Cities Chamber Agreement.

We are committed to sharing among our partnership as much information as is necessary and prudent on any activity undertaken by or in the name of Quad Cities Chamber. Our guiding principle shall be that “more information is better than less.”

At no time shall any economic development organization partner of Quad Cities Chamber advertise or promote its respective area to companies within another member’s geographic area in a manner that is derogatory or insulting to the other geographic area. “Selling against” another partner of Quad Cities Chamber or direct solicitation of intrastate relocations, is strongly discouraged.

We are committed to locating prospects in the Quad Cities region. In the event that our local jurisdictions cannot meet the needs of a particular prospect we shall communicate with our fellow partners in an effort to meet the company’s needs elsewhere in the Quad Cities region.

Economic development organizations shall hold all responses to confidential requests for information pertaining to site and building information provided to the Quad Cities Chamber by member real estate brokerage firms in the strictest confidence. Said information shall not be printed, copied, and shown in any manner to any entity other than prospects or their direct representatives without prior permission.

We are committed to the concept of competition for locations and expansions among our Individual communities and projects provided that the prospect has asked for specific proposals or has settled on a Quad Cities regional location. At no time shall any partner of the Quad Cities Chamber solicit a fellow member's prospects.

We are committed to working together with the real estate community and are in no way in direct competition with them. Economic developers are a resource and facilitator in the site selection process.

CONFIDENTIALITY OF PROSPECTS

Partners of Quad Cities Chamber shall honor the confidentiality of individual prospects. Whenever possible, specific information on transactions shall be shared within the realm of Quad Cities Chamber and partner state organizations. In those instances where prospects are dealing with individual communities, information will only be shared by Quad Cities Chamber staff and the local Economic Development representatives involved.

In instances, where a prospect wishes to remain completely confidential with an individual community, the remaining partners of Quad Cities Chamber shall honor that confidentiality and shall in no way attempt to intervene in the relationship. The prospect will remain confidential until the prospect chooses to announce.

MARKETING

Any member of Quad Cities Chamber that develops a prospect generated from national advertising and trade shows sponsored by Quad Cities Chamber shall utilize the "Prospect Tracking System" of Quad Cities Chamber in all contacts with the respective prospect.

Partners are strongly discouraged from advertising in local media outside of their own market area.
